    - ii) Vice President: Erin Larsen
    - iii) Secretary: Lori Nicolini

  - b) Auction: made \$52K = average. Great. Some suggestions were made. For example, placing the class projects in the same area.
  - c) Movie Night: Went well, we don't know the amt made/lost. There was a problem getting the AV systems to cooperate. Well attended??
  - d) Yard clean up: All who showed up worked SO hard!! THANK YOU SO MUCH!! We got everything we wanted to get done finished with the exception of the blackberries behind the upper campus. We need parents to volunteer their time to finish that work, haul out the cuttings, and spray the area with round-up. This can be done any time, but should be done SOON.
  - e) Jog-a-thon: PA helped set up/take down the tents and count the laps. We also set up the food at the park. Great Job PA! Thanks! We ran out of buns, but that was not a problem. Thank you to the Painter Family for donating the brats. One problem: the take down of the long lake event was not organized and many large items were left at the park. They were picked up as an afterthought. The grill was not cleaned.
