

Southern Idaho Section – ASCE Meeting in Eastern Idaho

DATE: Tuesday, March 31, 2015

TIME: 12:00 to 1:00 pm

LOCATION: Pizza Pie Café, Ammon, Idaho

COST: Attendance is Free. You can purchase lunch there or you can bring a sack lunch.

SUBJECT: Kent Fugal and Greg Weitzel of the City of Idaho Falls (City Engineer and Parks & Recreation Director, respectively) will present on the new Connecting Our Communities plan (essentially a bike/ped master plan) for the greater Idaho Falls area. The presentation will cover what is included in the plan and the process used to develop it. It will also include a discussion of the implementation challenges for engineers, including such things as right-of-way utilization, dealing with canals and railroads, and changes in the way engineers need to think about these types of projects.
