Workshop Session

Mil Levy Questions and Answers

Mr. Frank Beltran, Pueblo County Assessor and Rick Jones, Chief Deputy for the Pueblo County Assessor joined the meeting to present information and answer questions.

Each year, each County Assessor's Office (Pueblo, Huerfano, and Custer) issues a Certification of Valuation to Rye Fire Protection District. This form lists last year's assessed valuation; this year's assessed valuation along with additions and deletions to taxable real property. From this actual value on all taxable property, Rye Fire Protection District is able to set budget based upon the current mil levy. This form is also sent to DOLA.

It was noted that all properties, or portions of properties, that are designated as where individuals reside are taxed at 7.96%. This includes single-family, multi-family, duplex, nursing homes, etc. All other are taxed at 29.0%.

The question regarding delinquent tax disbursements to RFPD is a treasurer's question.

Mr. Schaiberger noted he was waiting for an interpretation whether our proposed mil levy will be in the May 2016 Election or later on.

The Rye Fire Protection District

Mr. Schaiberger received tax collected amounts and tax disbursed amounts from 2005 to 2012. These were utilized in planning discussions for the proposed mil levy.

Next workshop meeting will be held on Monday, October 19, 2015 at 5:30 PM to continue finalizing the mil levy amount that will be placed on the ballot.
