Subject: Camper storage

Hi Anne, I watched the city Council meeting online last night. Rodger's concerns about allowing campers or trailers to be stored on a front lawn are valid. They should not be allowed. Storing campers on the side yard setbacks are appropriate. But, to allow campers or trailers to be plopped in a front yard is not acceptable. I live in Old Town and already there are multiple households that store cars in driveways for years helping our neighborhood look like a junk yard. Allowing front yard storage will look even worse than driveway storage. Does the new ordinances restrict people from storing multiple cars in a driveway for years even if they run or not ? Thanks for all you dedication and hard work.
