Henderson Teacher and Staff Lunch 11:00 am - 1:00 pm Monday, August 12

School time is almost here and that means we get to show our love and support to the Henderson teachers and staff with a “Come and Go” lunch.

We need volunteers to help with set-up, clean up, serving, and providing the food. Watch the Sunday School boxes for sign-up sheets on how you can help with this outreach.

If you'd like to help work the lunch, please be at the church by 10:30 am. For more information on how to help, please contact Terri Pipes at (432) 553-2429 or Fay Palmer at (432) 208-2856.

Thank you for your willingness to help serve these teachers! They work so hard to educate the next generation and we want them to know how much we appreciate them.

The Pastor's Pontifications

As we prepare to honor our neighbors at Henderson Elementary, I am reminded that school is starting earlier and earlier. We pay tribute to the hard work and thankless hours that go into serving as a teacher/staff member at our local schools. These educators spend, not only time, but they dip into their own pockets to help each student with the basics of life. Our support of these educators is a small sampling of what we can and should do to recognize our neighbors.

As I continue to read the negative news about our school's performance state-wide, I am reminded that we can rally around our friends across the parking lot and pray daily for strength, stamina and patience. We must support our educators so that they do not become weary in doing the good that they do. In many cases, these teachers are the only stability in a student's life.

Our elementary students of today are going to be our community leaders of tomorrow. We must support them in as many ways as possible. I am always appalled when I hear and read about people who don't want to invest financially in the lives of our students. There is a bond issue looming on the horizon. Many people just see the extra couple of hundred dollars per year on their tax bill. I see students in classrooms that are not overcrowded with teachers that are well compensated.

It is all in the eye of the beholder and I choose to behold that God has placed our church on the same city block as Henderson Elementary school and we must be good neighbors. We can be good neighbors by recognizing the staff at our annual luncheon and we can be good neighbors by supporting quality education across Midland.

Whatever it takes!

Sunday Sermon Series

With all of the turmoil in the world, I thought that it would be good to take a long look at prophecy as set out in the book of Daniel. So, for the next few months, we will try our best to glean some wisdom

and knowledge from God's servant Daniel. You will not want to miss any of these inspiring messages.

During our Evening Worship time, we will continue our exegetical

(verse by verse) study of the Gospel of Mark. We have learned many lessons so far and there are many more lessons to be learned.

Come join us for these timely studies!

Dear Wilshire Park,

Dear Wilshire Park Family,

I just want to say thank you for all the prayers for me while I was in the hospital. Things could have been much worse, like infection going to my bones, issues with my heart or pacemaker. But it was all contained in my ankle because of all the prayers that went up for me.

Thank you for the cards and calls. I love you all!

God bless you, Wanda Duncan
