

What Is Your Truth?

What do you believe in regard to civility, justice, prayer? What does our society say about these things? Are you overwhelmed by all the media coverage, and the divisions in our society?

What do you think Jesus has to say about these things?

This six week series will focused on the basic truths of the Christian faith. In conjunction with several local Christian speakers/clergy, we invite the local community to join us to discuss several relevant topics on our minds today.

We are challenging our community to invite your friends, family, neighbors and associates to join us.

The "What is Your Truth" Series is your chance to hear from Christians in our area about what they understand truth to be on topics from prayer to civility in our polarized times.

However, this is only half the story. The other half of our time will be devoted to hearing from those who attend about what is their truth?

We welcome both Christian and non-Christian perspectives to this safe space for open and honest dialogue. All are welcome, dessert will be provided.
