Photo Release Permission Form

Art by J Studios maintains a website and a Facebook page (site addresses listed at bottom of page). We use these tools as methods to communicate studio and class information, including weather cancellations, schedule changes, events and volunteer opportunities.

We occasionally post photos from studio events and class sessions. Photos posted do NOT give any student information.

We understand that some parents do not want photos of their children on the internet.

Please complete and return the form below, selecting whether you give permission for Art by J Studios to post photos of your child on our website and Facebook page.

Thank you,
Jeaniene Dibble
