

Dear First Baptist Kids' Klub or Youth Group Parent or Guardian,

Welcome to our Wednesday night program! We're so happy that your child is attending one of our Wednesday evening clubs. We're excited to be able to provide a meal, fun activities, friendship and valuable Bible based lessons. We're also excited that our numbers are growing weekly. Because of this great development, we are transporting more and more students from their homes to the church. Since we have limited vehicles, we ask that if you are able to bring your children to the church at 6:30 and pick them up at 8:00, please do so. If that's not possible, we're happy to stop by and get them. However, we do want you to be aware of our bus procedures. Attached you'll find those procedures and some things that we ask of you to make our transportation time effective and safe for all students. After reading the procedures, please fill out and sign the bus permission form. In order to be transported by the church, we need to have your signed permission. If you have more than one child, one form with all their names will be just fine. We encourage kids to bring guests but those children must also have a form filled out in order to get on the bus. You will find that we've attached an extra form if you have that situation or the form can be found on our website at [fremontfbc.org](http://fremontfbc.org). If your child is not going to ride the bus, on a particular night, we also ask that you give the church office a call by 4:30. That number is 402-721-1265.

We're so happy to have you be a part of our First Baptist Kids and Youth programming. Please let us know if there's anything we can do for you or your family.

Sincerely,

FBC Kids Club & Youth Group

# Wednesday Night Bus Procedures

- I. Students must be at least 5yrs of age to ride.
- II. There will be two adults on each church vehicle.
- III. If a driver or rider is not available, that team is responsible for getting a substitute. The adult rider is asked to sit in the back of the bus to assure clear vision and supervision of all students.

- IV. Students must stay seated in the vehicle at all times, use seat belts if available and use voices that allow them to hear any instructions given by the adults in charge.

- V. Students riding a church vehicle must have a completed and signed permission form in order to ride.

- VI. If a student is not riding the bus on a particular evening, a parent or the student him or herself is asked to call the office by 4:30 to let the bus driver know. (402-721-1265)

- VII. If the bus or van travels to pick up a student and the student is not there for two weeks in a row without notifying the church, a parent or guardian must call the church to reinstate pick up. (402-721-1265)

- VIII. Students will be given additional bus riding permission forms to take home so that if they bring a friend or friends to Wednesday night activities, the visitors can have a form filled out to present to the driver. This form is also available on the church website: [www.fremontfbc.org](http://www.fremontfbc.org).

- IX. If a particular bus or van is full and there are no remaining safe seats, the driver will call the church to arrange pickup with the big bus.

- X. We are happy to provide transportation for students who have no other way to get to the church and want them to be able to attend our Wednesday night events but due to growing numbers, we have a limited number of seats available on our vehicles. If parents are able to bring their children to the church at 6:30, it would be greatly appreciated. Pick up is at 8:00.
