

Hempshill Hall Primary School Internet Safety Rules

✓ I will only go on websites I have been told are ok by my teacher.

✓ When searching on the internet I will be careful to use the right words.

✓ I will not type in silly things on the internet.

✓ If I see anything on the internet that I am not happy about I will tell my teacher. I will not show anyone else.

✓ When on the internet I will not put my name address or phone number.

✓ I will never arrange to meet someone I have spoken to on the internet.

✓ If I see anyone who is not following these rules I will report them to the teacher.

We have discussed this as a class and the whole class agree to follow them. We understand that we will not be allowed to use the internet if we do not follow the rules.
