Brethren, Family, and Friends,

Happy New Year to you and your family, welcome to 2022. I hope you are keeping well.

As I write this our building renovations are almost complete, however, the building will not be ready in time for our annual installation of officers. Therefore we are going to hold our installation on Saturday, January 8th, at 12 noon at SCSLV Lodge. The installation is open to all so please come out and support brother Zeke Floro and the 2022 team.

I will be moving to the secretary chair and look forward to supporting Brother Floro and his team of officers along with all the members of our Lodge. The cost of dues for 2022 is \$107.50. We appreciate the brothers that have paid their 2022 dues. If you have access to iMember you can pay your dues online as well as download your 2022 dues card. If you need a paper copy of your dues card please reach out to me, Grand Lodge is preferring members to pay dues online via iMember along with promoting virtual dues cards.

In December we held a triple first degree for Brothers Jack Digby, Craig Peterson, and Omar Chaudry. It was a great night and we welcome our newest Entered Apprentices to the Fraternity all three of these men waited over a year to receive their first degree.

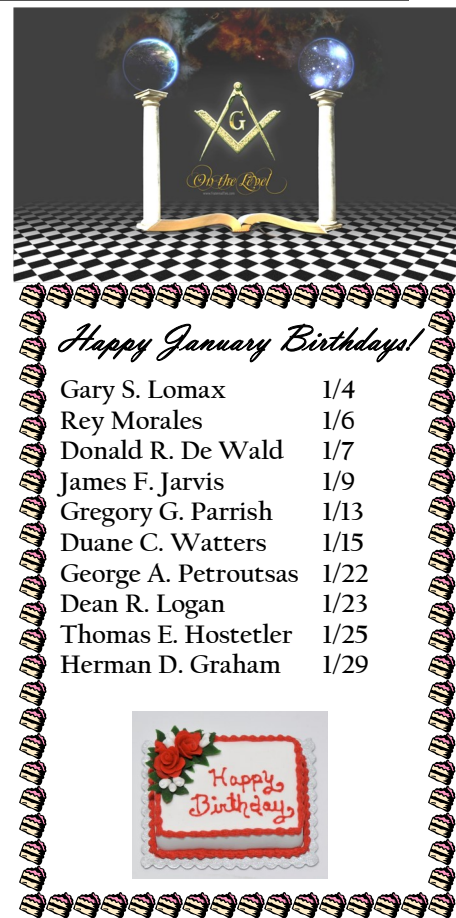

We were saddened to learn of the passing of Wr Brother Alan Schattensburg on December 14th at the age of 96, a Masonic Memorial Service is tentatively set for the morning of Tuesday, Feb 1st in Santa Cruz, more news to come. Wr Alan was a truly distinguished Mason and will be missed.

Happy New Year!

Fraternally,

Brian Calverley – Worshipful Master – 2020 - 2021

Beloved Brethren, Friends, and Family:

I hope you all had a lovely time for the holidays and enjoyed some much-deserved rest with your loved ones. Welcome to 2022! My term as Senior Warden has come to an end and I look forward with great eagerness at stepping into the role of Master. To make this year a success, please join me in breaking in the newly renovated lodge building and getting back to work performing degrees! As you can imagine, the pandemic has left us with a sizable backlog, so please make an effort to come to stated meetings, attend practices, and show up for degree nights even if only to show support to our advancing candidates. Let's do our best to show them how it's done!

For all of the officers, please remember that you occupy these special seats to lead by example, to inspire others, to instill harmony, and to further Masonic understanding among your brothers. May all of your actions as officers be guided by the tenets of our beloved Craft, and may your sense of kindness and affection for one another grow and become a source of light in these dark and troubling times. Together, we can lead our blessed lodge and remain committed to making an impact in our community as we build upon what our predecessors have laid out for us. After everything that we've been through together, I know that we can weather any storm and come out strong.

I encourage you all to bring forward suggestions for future get-togethers and special events, and let me know if there are any Masonic educational topics that you would like presented in lodge this year. What should we do with the patio space when the weather warms up this Spring, for instance? Is anyone up for creating a drought-tolerant garden? Finally, let us always remember our dearly departed brethren, who paved the path that we now tread. We feel their absence, but as Masons, we know with certainty that they have found safety in the celestial lodge above with our Supreme Grandmaster of the Universe. Let us do them proud by following their example and working towards perfecting ourselves using the sublime tools of Freemasonry.

Faithfully and fraternally yours.

Zeke Floro
Senior Warden

Brethren, Family and Friends,

As you read this, the new year has just begun and the dust is still settling from the festivities of the year-end celebrations. With every new year, the spirit of rebirth and new beginning takes hold. Many of us are recommitted to a resolution for the new year, which some times we'll see through and at other times we'll see our enthusiasm wane, as the spirit slowly fades out behind the commotion of every day life. Along with new hope for the unknown, a new year brings anticipation of things that are promised to return, things that we look forward to each year or that we look forward to on special years. Each year we may look forward to celebrating our anniversary, but it is a special year when we look forward to celebrating our 50th anniversary.

This year I have both a great hope and a great anticipation. I hope that I am able to serve my Brothers in the role that they have elected me to perform and hope further that I am able to serve Masonry and be a credit to the fraternity. I anticipate with real excitement the many great things that we are going to do this year. From the re-opening of our newly renovated lodge building, and the continued development of our members through the degrees, to the ongoing efforts we've made to be a positive part of the local community and the educational careers of its youth, our lodge is full of life and opportunities.

If it's been a little while since you've attended a meeting, I hope that the upcoming re-opening of the renovated building will provide you with some extra motivation to come out, re-engage with your Brothers and meet some of the new faces of the lodge that you may not already know. Much is happening right now and any who wish to be more involved with the activities of the lodge, should contact myself or any of the officers. There are plenty that are already under way and many more initiatives that we would love to see brought to life. As Worshipful Sigismondi is fond of saying, 'Many hands make light work.'

I can't wait to see you all during this upcoming year and continue our work together!

Warmest fraternal wishes,
Pete Cardilla
Junior Warden
