

## 21st ANNUAL GOLF OUTING

On Saturday, September 12, 2020, the Fragile X Association of Michigan (FXAM) will hold its 21st Annual Golf Outing. Since its inception, the FXAM Golf Outing has raised over \$300,000 for Fragile X research and programming. With the generous donations of our supporters, we were able to:

- Produce a quarterly newsletter distributed to local professionals and all of our FXAM family members across the state, to help them stay connected and know they are not alone.
- Partner with the University of Michigan to help support our state's Fragile X Clinic.
- Sponsor a college student, who interned with our researchers at our Fragile X Clinic, in Ann Arbor.

2020 is a unique year! The golf outing will be unique and the proceeds from our generous donors will be shared in three ways by these wonderful organizations that support special needs communities. Golf Outing monies raised will be shared by three non-profits: Fragile X Association of Michigan ([FXAM.org](http://FXAM.org)), Supporting Independence in Michigan ([supportingindependenceinmichigan.org](http://supportingindependenceinmichigan.org)) and LIFE Communities.

In order to continue to support families you can help by:

- Sponsoring a hole,
- Making a tax-deductible donation, and/or
- Participating in the golf outing.

Attached you will find a hole sponsor & donation form and a golf registration form. Your participation will help us continue to support Michigan families, increase Fragile X awareness and bring us closer to a cure.

On behalf of FXAM, Supporting Independence in Michigan and LIFE Communities, thank you for your generosity!
