Event Contract:

As discussed, the following shall constitute the agreement between buyer _____ and Circus Una Productions LLC to provide services as an independent contractor for the event detailed below:

Services:

Motorcycle/Trapeze High-Wire Thrill Show, maximum four thrill shows a day spaced at least an hour and a half apart. Thrill Show site is available throughout event for other rally activities between Thrill Shows. Thrill show comes complete with outdoor lighting and sound system.

Compensation: (\$) Performance fee to be determined, one hotel room, with two double beds, near show site, for the night of load in and after every show-day night, or two RV sites with water and electric hook-ups.

Rigging:

A hard, level area of at least 200 by 50 feet is required for High-wire installation. All rigging will be completed at a time when show site is clear from public access; otherwise security is needed throughout set up. Two 110 amp electric service is needed at site during set up rigging and throughout event. Day labor (three strong persons,) for four hours, is required for set up and tear down. If proposed show site area proves to be unable to support high-wire installation, addition site support may be required at expense of the buyer. This support may include cement blocks and/or parking heavy equipment to use as rigging anchors.
