Each year we split Career Focus into two sessions. This fall semester session to be held November 10-14, 2014 will serve as preparation for students to attend interviews for possible job and graduate school opportunities during the spring session. Also students will have the opportunity to participate in a Chick Fil A fundraiser in order to alleviate the expenses of the Spring 2015 South Quad Conference in New Orleans, Louisiana March 12-15, 2015.
