"Pray It Forward" Program

We strive to keep tuition at an affordable rate for families who want a Catholic education for their child. We encourage families who may need help with tuition at this point in their lives to contact our principal. After completing the tuition assistance application, families will be notified about their awarded funds in early summer. "Pray It Forward" funds are granted with the hope that, sometime in the future, beneficiaries will want to support Catholic education. On the other hand, we ask those who are in a position to be a benefactor to St. Mary's School families to consider donating any amount to "Pray It Forward" as a way to perpetuate this program of faith, hope, and love

## Scrip Purchasing Requirements

**What is Scrip?** Scrip is a program where businesses help non-profit organizations through the selling of gift certificates to their stores at a discount to groups like St. Mary's School. **Why should you purchase it?** First and foremost, it supports St. Mary's School and the families that attend the school. **How does St. Mary's make money?** The school purchases gift cards at a discounted price and then sells those gift cards at face value. The difference in price is profit to the school. **Is it costing me any money?** The beauty of this program is, for every scrip dollar you purchase, you get a dollar's worth at your chosen business. You buy a \$100 gift card with cash or check and, you get a \$100 gift card. **What can I use scrip for?** You can use scrip for grocery shopping, clothing, school supplies, books, going out to eat, door prizes and gifts for such occasions as Christmas, Mother's Day, Father's Day, Graduation, showers and weddings. Don't forget to purchase scrip for your college student's gas and food! Scrip also makes a great gift for teachers and coaches! Who doesn't love to get gift cards?

### Requirements

Each family in Preschool through 5<sup>th</sup> Grade will be required to purchase \$2,500 of scrip per child or a \$5,000 family cap. The family balance of unpurchased scrip will be billed out at 10% of the remaining scrip balance in the middle of May.

Families enrolled in the Wisconsin Parental Choice Program are encouraged but not required to purchase Scrip.

**Once your family has met the required amount of scrip purchases, 1% of any additional purchases will be applied as a deduction on your family's tuition the following school year. If your child is in 5<sup>th</sup> grade and doesn't have any younger siblings registering the next year, a refund check will be issued at the end of the current school year. Each family may list 2 additional households whose scrip purchases may be applied to your family's account.**

**Buy out option:** If you choose, you may buy out of the scrip program at \$250 per child or a \$500 family cap. Buy out payment must be made by the end of December. **Families choosing the buyout option are not eligible for the 1% tuition reimbursement explained above.**

The staff is here to help you understand the scrip process. Scrip is available for purchase during school hours, after weekend Masses and online. The school office will send home periodic reports to let you know how much scrip you have purchased for the year.

## Volunteer Hour Requirements

Our school parents are vital to the continued success of our school. In order to keep our tuition reasonable, we ask each family to volunteer a minimum of 20 hours per school year. We have plenty of opportunities conducive to any busy parent's schedule. All service completed will be tracked and counted toward required service hours. Please work with us to make certain all hours are recorded. For all hours not completed before the middle of May, a \$10.00 per hour charge will be billed. For buy-out options, please see your registration form or call school.
