

MEDICAL INSURANCE BILLING AND CODING FOR DENTISTRY CERTIFICATION

August 13 or 14 and September 10 or 11, 2021 | 8:00 am - 12:00 pm | 4 CEU
619.277.4743 | www.ceadental.com | chris@ceadental.com

Billing medical insurance can be an untapped revenue source in many dental practices, and is becoming very important in today's competitive environment. Submitting certain dental services to medical insurance carriers for medically necessary procedures, can help increase cash flow and add value to your practice. By understanding the medical coding process, your dental practice will be able to submit claims properly and obtain benefits for patients that otherwise may not accept treatment. This course will provide the information and knowledge necessary to implement a medical billing system in your practice.

Rebecca Gerber will provide the information and knowledge necessary to implement a medical billing system in your practice.

In this course participants will learn how to:

- Learn Responsibilities of the Team Starting with the Doctor
- Understand Medical Coding Guidelines for ICD-10 and CPT Procedure Codes
- Learn How to Communicate Treatment Plans to Patients Complete
- Learn How to Identify Medically Billable Procedures
- Receive detailed information on Sleep Apnea, TMJ, and Cone Beam CT Scans. Explore Billing Service Options

Course Handouts Include:

- Sample Documentation Required to Support Procedures Billed
- Phone Preauthorization Scripts & Templates for Creating Inner Office Communication

SECRETS REVEALED!

Session will focus on:

- Which Dental Procedures are Medically Billable
- The Importance of the Patient Health History
- Proper Documentation to Attain Reimbursement Utilizing the SOAP Forma
- Specifics about Sleep Apnea and TMJ Documentation
