## Hero Squad

*From March 4 – 21<sup>st</sup> SHES students will be collecting pennies in support of the Leukemia & Lymphoma Society. Collections boxes have been sent home with students. Thanks for your support!*

Dear Families,

I hope everyone is enjoying our delightful "One School, One Book" selection, Appleblossom the Possum, by Holly Goldberg Sloan. **A big thanks goes to Title 1 for funding this event!** Just a reminder that the reading portion of our book club will conclude on Friday, March 22<sup>nd</sup>, but students will have until Wednesday, March 27<sup>th</sup> to turn in response packets. Students that turn in completed packets will receive 25 DoJo points and will be entered into a drawing for a \$10 gift certificate to The Children's Book Garden in Ocean Pines.

Additionally, please consider joining us for "Science is Alive Week" with Mrs. Shockley-Lynch in the Science Cabana. Mrs. Shockley-Lynch will be incorporating possums into all of her projects this week, and from what I hear the "possum-bilities" are endless!!

Thanks for making reading & learning together an important part of your family time; we appreciate it so!

Happy Reading,

Miss Spivey  
jhspsivey@worcesterk12.org

**NOTE:** Starting in March, all school breakfast and lunch calendars will be posted on our school website (snowhillelem.org) and on Class DoJo, in addition to the WCPS website (Worcesterk12.org – under the Parent Tab).
