

# OLD ISLANDIA GIN

## THE ARISTOCRAT OF GINS

This is a top-shelf gin brewed and bottled with discriminate attention in Iceland.

When you are used to the eternal juniper berries and run for a cocktail, stop and grab an Old Islandia Gin.

Its smooth flavor will bring you relief. No need for lemons, lime, oranges or mint.

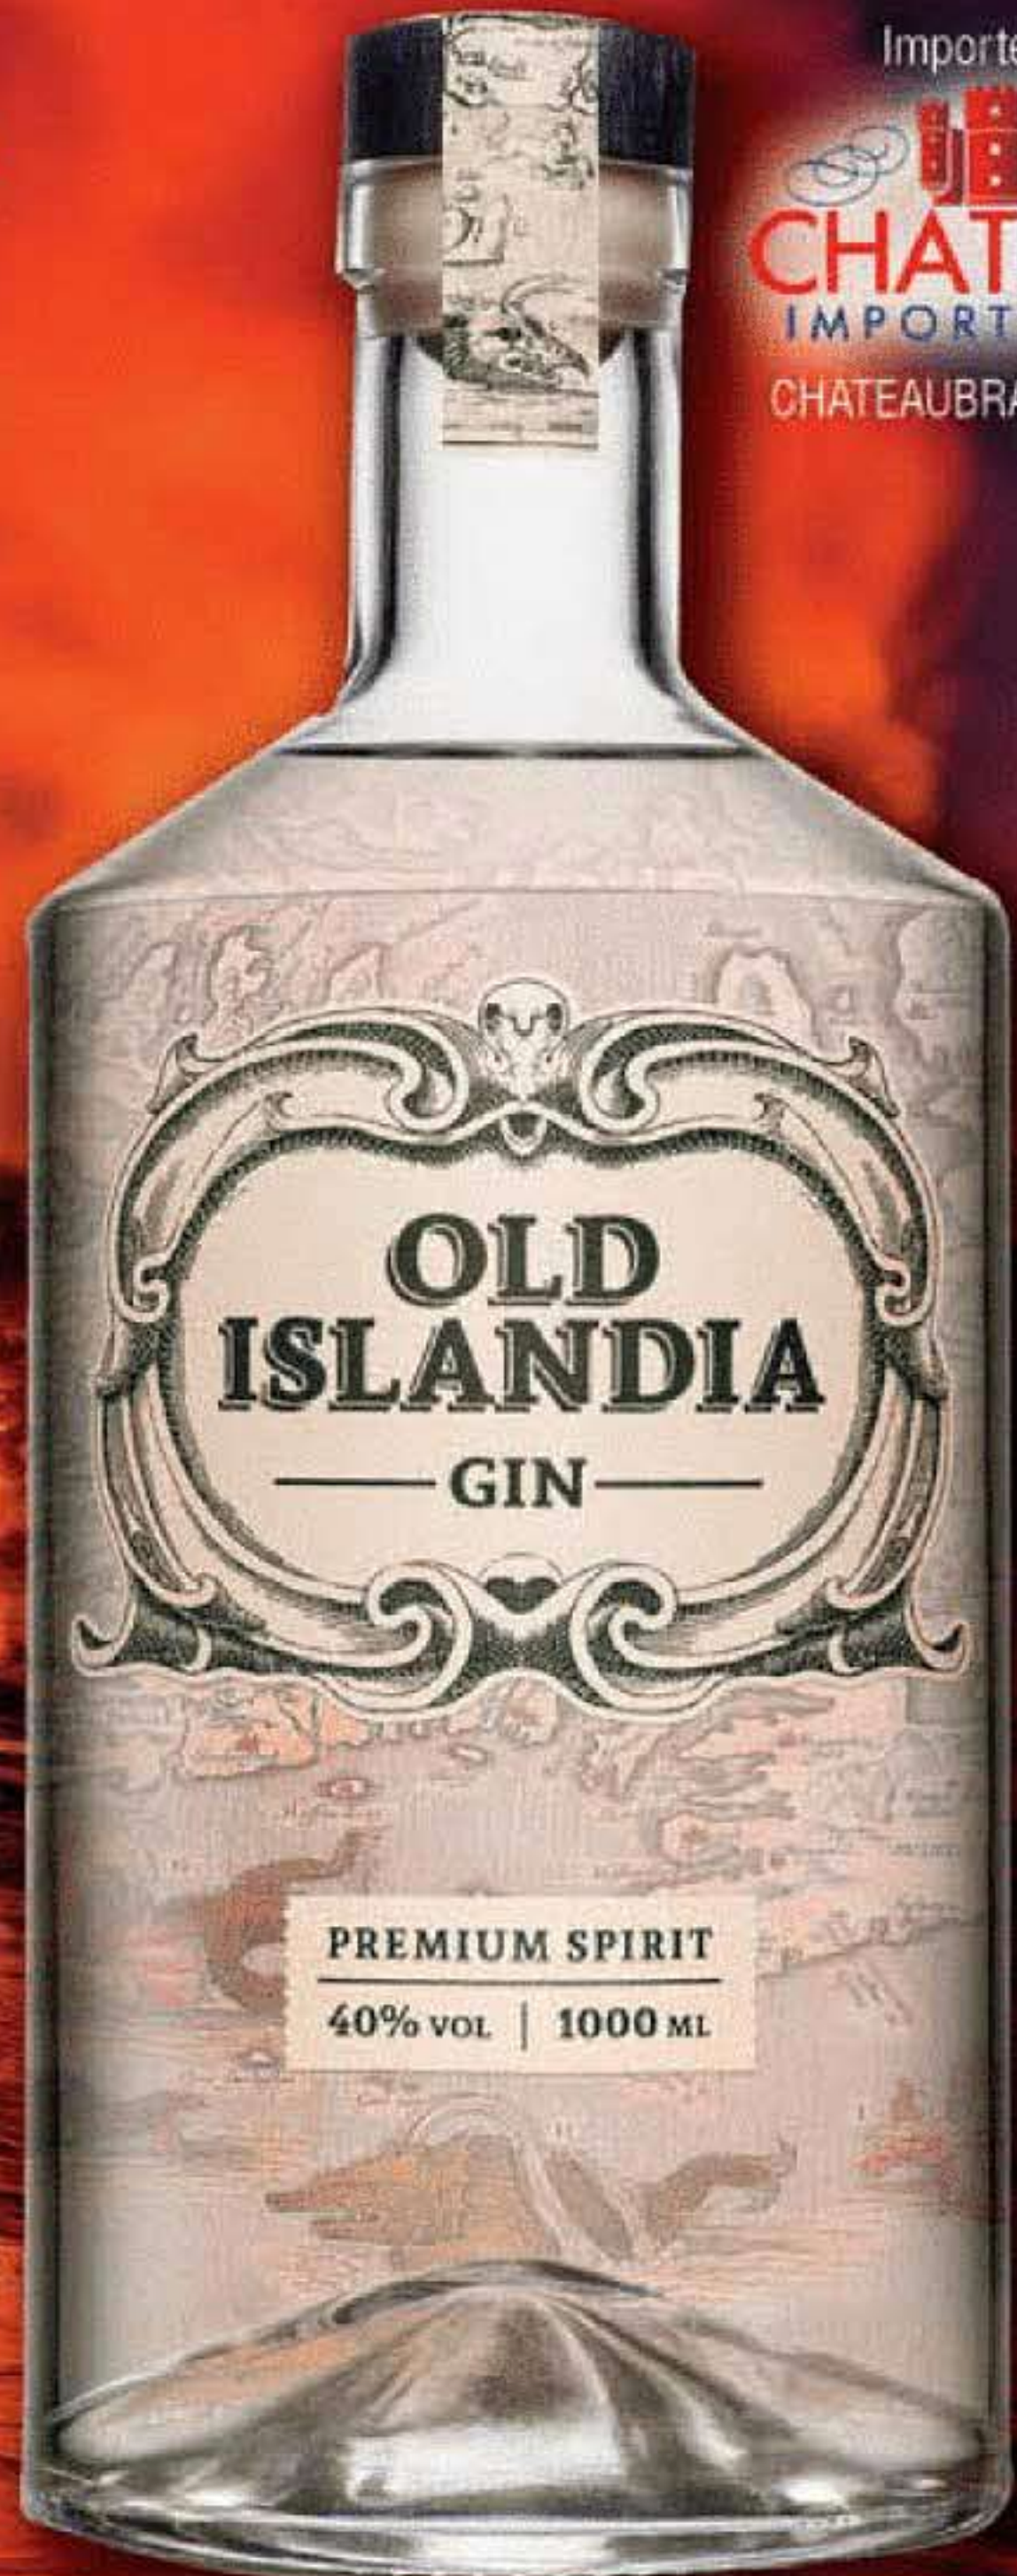

Frank Sinatra would have loved it.

Sip and watch the waves on the deck. No regrets. It's your way.

Old Islandia gin, the Aristocrat of Gins.
