

Instrument Donations Needed

Is there a musical instrument in your house that is no longer being used?

Don't know what to do with it?

Rummage sales only bring a few dollars at best....

Consider donating it to the Unit 7 Music Department

Our instrumental music student population is growing fast, and not all students families can afford to buy or rent an instrument for their children.

You can help!

When you donate your old instrument, the school district will have it repaired or restored to 'playing condition' and use it as a 'loaner' for any student who is unable to furnish their own.

Just think...that horn you once played in the high school band could benefit a whole new generation!

You will be helping music grow in our school district in a very special way through your generosity.

In addition, Mr. Jean will give you a letter with the estimated value of your donation, so that you can have an extra deduction on your tax return next year!

Now you're helping our music students and getting a break on next years taxes!

If you are interested, or would like more information on how to donate, contact Mr. Jean at: jeanb@unity.k12.il.us
