Hello, Friends!

Sandy Trammell

I'm the proud leader of the Sandy Beach Crafters team in the Close To My Heart family. Being a wife, mother of 2 adults who live in my neighborhood, grandmother of 1, caretaker of my dad and volunteer for the City of Destin & high school keeps me very busy. Close To MY Heart paper crafting has become like FUN therapy for me. I really enjoy creating, teaching, playing and making new friends! I'm so excited to be part of this wonderful group, I tell everyone! I just earned my fifth cruise and plan to be on everyone in the future. I'd love to have you on my team! Craft Escapes

Learn, Shop and Create!

- 1) Learn – a series of classes are offered at staggered times, allowing guests of the Craft Escape to choose what they would like to make and take with them during that time, attend some classes, or all of them!
- 2) Shop – every event has a vendor area for the Craft Expo. This is an opportunity for professional crafters to highlight their products, as well as provide supplies for those participating in the other components of the event.
- 3) Create – a large area of the convention space is utilized for what is called a “Crop”. Hundreds of guests get together, share ideas and supplies, and create for hours – even overnight! The best part about this component are the friends and memory pages created!
