

WATAUGA TRACK SPONSOR PACK

WILL YOU CONSIDER SPONSORING WTC FOR THE 2017 SEASON?

Established since 2006, The Watauga Track Club is a member of the Texas Amateur Athletic Federation and will participate in a number of events during the 2017 Track and Field season. We are looking for sponsors who can help support our non-profit organization this season. The WTC Team consists of 10 lead coaches, several volunteers and over 200 student athletes ranging from ages 5 to 18 years of age.

Track and Field Circuit meets are local to our region with a state meet held in McAllen, Texas for 2017.

The club's goals are to help and encourage young student athletes to develop physically, emotionally and socially through Track and Field involvement. We hope to instill in all, the honesty and integrity these young athletes are going to need in their everyday lives.

As a sponsor, you will be supporting the very fabric of your community, your sponsorship will not only help our non-profit organization continue serving these young student athletes with this wonderful program but will help to defray the cost of much needed Track and Field equipment and WTC scholarships. In this packet you will find details of this year's tiered sponsorship levels.

Thank you in advance for considering a sponsorship with the WTC.

We look forward to hearing from you!
