

Unique design!  
Impressive lift capacity.  
Ideal for conference tables.

501-23 frame in silver and with beech tabletop 84-305.  
SRP \$ 1,760. See also pages 26-31.

**501-23** is strong and stylish with integrated cable management. It's expandable length makes it well suited for many top sizes. The symmetrical design makes the frame excellent for conference tables and large work surfaces. Optional 3-column versions accommodate extra long tables and L-shapes configurations. Maximum load is 440 lbs. [See specifications and combinations on pages 28-31.](#)
