

Fleet Captain Report March 2019

Greetings cruisers,

On February 10th we had a successful day sail with great winds and a good tide. Participants were Don Himes on Time to Cruise, Ethan Romans on Theodore Robert and Gene Michaux on Lady in Red.

This cruise was headed up by Don Himes who also took lots of pictures which he posted on the website.

Our next cruise was on February 17th overnight to Dutchman anchorage at Ancote Island. Attendance was Don Himes on Time to Cruise and Dean Perry on Fine Alee. Thanks to Don Himes for heading this one up also.

February was a real tough month for tides but tides are improving for the month of March.

Future cruises for March are a 4 day sail starting on Monday March 25th to Thursday March 28th to Gulfport. Tides are good.
