Message to Members

Looking out at the rolling foothills with all the green pasture and beautiful wildflowers blooming makes us stop and appreciate the abundance of rain with all the colors of spring that it brings. Mid Valley Cowbelles would also like to express our appreciation for the beautiful variety of women that make up our unit. Each and everyone of you enhance and strengthen our unit with your unique gifts and personalities. We are looking forward to a great year filled with of fun opportunities to promote beef education in schools throughout Stanislaus, Merced and Mariposa counties, We have some great plans for a few special events for our general membership as well and our younger junior members this year. And the amazing cooks in our unit will have some opportunity's to entertain with their catering skills at some scheduled events this coming year. MVC offers so many opportunities to get involved with beef promotion, which is our main goal, that we encourage you to take some time and look over our Calendar of Events for the next few months and see where you might be able to help. Our website also has a current Calendar to keep you informed as well.

At our CCW meeting in March our board was challenged with increasing our membership. So we would like to encourage you to invite a friend or family member to join our MVC unit. It's only through your help that we can grow strong and fortify our foundation as a new unit in the California Cattlewomen's Association.

THE LA GRANGE RODEO

On Sunday, April 3rd we had a great time at the 69th Annual La Grange Rodeo. Our booth was amazing! We partnered with the La Grange Rodeo Association and sold their logoed ball caps as well as the La Grange Museums History of the La Grange Rodeo book, in addition to promoting beef with a variety of educational pamphlets, bumper stickers and recipes.

Many of our Cowbelles came out to help run our booth—Judy, Pat, Johnna, Doreen, Kristle, Toni, Cathline, Barbara and Marilyn. They sold our “Rodeo Grub” popcorn goodie bags and our beautiful new coffee mugs with our MVC logo filled with cowtail candies (trail mix). They also had many hand made items ranging from etched wine glasses, license plate frames, wood burned bamboo kitchen items and western caps. “The Herd” was moved to our booth and a pair of cows was sold to a proud new owner :-)

But the highlight of our booth was the fun photo booth backdrops that Kristle and Cathline created. The western and jail house theme were perfect for the rodeo crowd and enjoyed by everyone who got their picture taken. Thanks again to everyone who helped us get ready for the rodeo and those who were able to participate in this family friendly community event!
