

Thank you for choosing Simplicity Cremation. We understand this is a difficult time for your family, and our commitment is to provide you updates on the progress of returning your loved one's cremated remains back to you as soon as possible. If you have any questions, please do not hesitate to contact us at (888) 959-9101, or email to info@Simplicity247.com.

The cremation permit has been processed with the death certificate in the county of passing, and we have scheduled the cremation.

If you asked for certified copies of death certificates at the time of initial arrangements, those have been ordered on your behalf, and the county will be mailing those to you. Please allow the county up to three weeks processing time.

If you did not request them from us at the time of initial arrangement, they may be obtained from the county health department where the death took place. We suggest you first go to the appropriate web page and print the necessary request/order form, because each county has their own.
