

## Region 3 July Report

RC: Wally Shattuck

There was no official meeting as there was no quorum. Many of our members and officers were in Traverse City enjoying the events of the National Cherry Festival.

There was general discussion among those present which included the following:

Getting ready for our party. There are pre-sale of tickets if wanted, get with Marc, we are still working on a food vendor and the signs and banners will go up. Also we are looking for donations of alcohol for the alcohol cart. It is becoming a great fundraiser.

**The insurance issue in rearing its ugly head again. We don't want this so please contact your state reps and let them know.**

Our sweatshirts had to go back as they didn't have any sponsors on them

**We will be at the Kalkaska Fair grounds July 28th. We give kids rides on the bikes and play the road kill game. Small helmets are needed. We could use help if you can make it. It should be a fun time and the kids love it. The time is 12:00 to 2:00 pm.**

Enjoy Bike Night!
