stamp) firearms are permitted, this includes Gatling guns in the presence of a club employed Range Safety Officer at a cost of \$50.00 an hour. People with SBR's or Suppressors must advise staff at check-in but no RSO required. RSO's are required with Firearms adapted with slide-fire stocks. If in doubt about your target, ask before using. Shooting at signs, lights, yardage signs and target stands will be considered vandalism and charges may be filed in addition to park fines and loss of membership and/or park privileges.

\_\_\_\_ 15. **100 Yard Rifle Range:** Targets must be placed on target stands between 50 and 100 yards only on this range and all shots must hit only the back berm to avoid ricocheting. For a target less than 50 yards, use one of the 8' target stands at 25 yards. Or contact an RSO for assistance.

\_\_\_\_ 16. **Tactical Ranges:** Steel targets are not authorized on tactical range #1 next to 100-yard rifle range or when someone is using an adjacent range. Steel targets may be used for Shotgun and Pistol practice on all other tactical range with RSO approval.

\_\_\_\_ 17. **You may move** the target stands on the pistol range, but be sure you know what is beyond your target and you are not engaging a second target stand and shoot through is hitting the back berm.

\_\_\_\_ 18. **Make sure** that all your rounds are hitting the berm at the rear of the range and not hitting the ground and ricocheting out of the range or shooting over the berms and out of the range and into the park. Therefore, targets placed on the ground are strictly prohibited. ***Please contact a RSO if you have any questions on this requirement or your shots are not hitting the back berm.***

\_\_\_\_ 19. **Brass retrieval:** You may keep your brass only or place brass in containers provided. Removal of brass other than your own is considered theft. Do not use brass containers for trash.

\_\_\_\_ 20. **Unsafe behavior** will not be tolerated. DO NOT touch firearms during a cease fire. Violating any of the safety rules will result in removal from the range until it is determined by an RSO, that the person has a good understanding of the rules, and the reasons for the rules. Repeated violation will result in Removal from the range and park (temporarily or permanently).

\_\_\_\_ 21. **Alcohol, medications** that impair judgment and illegal drug use are not permitted. If the RSO suspects a shooter to be under the influence, the shooter will be asked to leave. If violator is not fit to drive his/her vehicle we will call the police and violator will be charged with public intoxication.

\_\_\_\_ 22. **Dangerous behavior:** If the RSO determines a person's behavior to be a danger or threat to others he may, at his/her discretion, take the person's firearm(s), make them safe and temporarily confiscate them. The RSO will then escort the person to the front gate of the park and at that time return the firearm(s) to the person. This will constitute permanent loss of privileges at the range. The RSO may also contact the Burnet County Sheriff's Office to have a deputy come to the range and issue a trespass warning to the person.
