Notes from the Worthy President

Brothers,

Congratulations to Bruce Walker for being named Volunteer of the Year for all his time and hard work... and thank you to all of the volunteers that make this club great.

Taco and Wing Wednesdays are back: 60-cent wings and 75-cent tacos the 2nd and 4th wed of the month from 5:30- 7:00... EXCEPT meeting night and Taco Wednesday will switch the first two weeks in November: Taco Night will be November 7 - meeting night will be November 14. Get that right or you might just have to go to a meeting!

G's Grille is open every Thursday. We have a band and open kitchen every Friday night: kitchen opens at 5:30 pm and the band starts at 8 pm. Come out and enjoy all that is happening at the Aerie.

The maintenance to the building is really coming along great and looks really nice. Thanks to all who have helped that along. The Pittsburgh vs Browns partys have been a lot of fun; if you missed them, try and make it next time.

Thank you to the Ladies Auxiliary for hosting the Halloween Dance on October 20; it was a fun time for all.

The Nevada Gold tickets have been moved into the Social room and we have a new electronic dart game in there too. Come out and play a game.

Have a safe and happy holiday season.

Mel Boone

Takin' a Chance

I was going to talk about pull tickets this issue, but since quite a few of you had questions about the Monthly Drawing last month, I should probably tackle that

Monthly Drawing

This is the oldest of our games of chance. Members who wish to participate pay \$5 to PRINT their name and local membership number on the numbered monthly sheet. All of that money is tabulated and then deposited into the General Fund. At the end of the month the trustees tally the total monies generated with the monies carried over from the previous drawing(s). Disposition comes in \$5000 increments, with a \$500 guaranteed jackpot for those who attend the drawing. When the pot reaches \$15,500, anything over that amount is distributed in \$500 increments - again, to those who attend the drawing.

On the last Saturday of each month at 10 p.m., winners are pulled from a drum containing "chips" with the local numbers of aerie and auxiliary members (M 1501, W 2355, etc.). If a signed-up member's number is pulled and he or she is present, they win a jackpot; if his/her number is pulled and they are absent, they get half of that jackpot. If a number is pulled and the member is not signed up, they get nothing and that jackpot is set aside for next

From the Madam President

Greetings Fellow Sisters:

When you receive this newsletter the Halloween Party will have been a HUGE success! Thanks to all for the hard work and commitment it takes to run an event! I am also looking forward to the Ladies Christmas Event - details below.

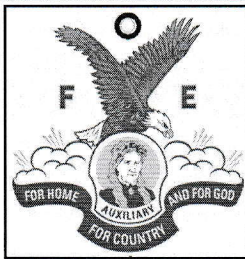

Soon it will be Veterans Day; remember that there is an event November 10 honoring our veterans - see an Eagle Rider for details. My thanks go out to each and every veteran-you are appreciated.

I would love for every Auxiliary member to attend a meeting and bring new event ideas, so we can discuss them. You can make a difference and have fun doing it.

Be safe out there; watch out for each other. The holiday season is a great time to check on our friends and loved ones and reconnect. Mel and I wish every one of our members a safe and wonderful holiday season, and as always.... Be kind to each other.

Your Madam President

Debra Boone

month's drawing. THAT'S how the pots get built up.

As I said before, once there are three \$5000 jackpots, all excess is distributed that night in \$500 increments to participants who are present. This second drawing is based on the order you signed up, NOT your member number. Multiple sign-ups are permitted, but are only REALLY advisable if there are multiple \$500 jackpots.

The question that came up last month was, "Why isn't there a \$5000 pot?" The aerie can only give out what it collects. If members have hit jackpots in previous months, and there's only \$3500 in the kitty, that's all that can be distributed.

In accordance with Ohio law, 100% of all Monthly Drawing receipts are distributed.

Next month: Pull tickets and the Queen of Hearts
