The Ice Spectacular also features our Senior Club skaters and our nationally-ranked Theatre On Ice Teams.

REHEARSALS

There are five show practices and a dress rehearsal. All show practices will be held on Saturdays at the Burbank Ice Arena from 11:50am – 12:50pm (30-minute rehearsal time to be assigned by Show Directors). Rehearsal Dates are February 29th, March 5th, 12th, 19th & 26th. Dress Rehearsal is Wednesday, April 1st from 4:15 – 6:30 pm. *Conflicts should be noted on the application. All absences must be approved by the Show Committee. If we cannot accommodate your conflict, your application and show fee will be refunded. Once costumes are ordered, NO REFUNDS will be issued.*

GROUPS

Skaters are assigned to groups according to their age and badge level at the time of the application deadline with some consideration given to the child's height as well as the number of participants needed for each group. Because of the large number of families with more than one skater involved in our show, we cannot guarantee that all skaters within a family will be skating in the same show performances. If it is absolutely necessary that all family members be in the same show performances, it must be noted on the application. In order to accommodate these special requests, a skater may be placed in a lower age or skating level. We are unable to accommodate special requests for placements with friends. All show groups are final and cannot be changed.

COSTUMES

All show costumes are chosen by the Show Committee. This Committee orders costumes based on each skater's measurements and the sizing charts provided by the costume companies. **All alterations and costs incurred for them are the responsibility of the show participant** and must be done in such a way as to keep the costume consistent with the rest of the costumes in the participant's group.

REQUIREMENTS

All show participants must be enrolled in Junior Club classes and/or contracted on a practice session by the Junior Club Show Application Deadline of Saturday, November 23, 2019 and must remain enrolled through the end of Session III.
