

Parent Handbook

welcome.

Dear Parents,

Welcome to Coastal Day School (CDS). I am so happy you have chosen us to help build an educational foundation for your child's future. Since September 2006 we have been offering the best in preschool education and after school care to Leland families. Our goal is to provide quality care and education for your child in an environment that is clean, safe, secure, nurturing and FUN that exceeds all state requirements. All our teachers are highly professional and have worked hard to obtain their degrees in Education and are excited to work with you and your child.

For your child to benefit from all of our learning opportunities, we ask you to partner with us by preparing them for each day. This handbook will help explain how we can support them, what you can expect from us, and what we will expect from you.

I welcome your questions, comments, and ideas. Our facility is a learning environment, not only for children but also for parents and teachers. I am looking forward to partnering with you and your family.

Sincerely,

Ashley Danko

Our Preschool Programs

Our programs are designed to offer age appropriate experiences that will lay a strong foundation for your child to build upon. In addition to their classroom learning time, our classes participate in art class, music class, and library weekly. We also offer Bible Buddies for those interested in our three and four year old classes. We have tons of fun events throughout the year to encourage a sense of community among our families. We also offer fun field trips to enhance what students are learning in the classroom.

Two Year Old Program (must be two years old by August 31st)

At this age children are just beginning to understand group play and how to communicate their thoughts with words. In our two year old class we focus on providing your child with plenty of group activities to practice social skills, such as cooperation, sharing and taking turns. We also start our introduction into the alphabet and numbers with fun, hands-on activities and projects!

Three Year Old Program (must be three years old by August 31st)

Our three year old class is full of wonder and fun while students enjoy an array of activities and hands-on experiences. Our teachers introduce new language, math, science and social skills daily to challenge students while building on what they learned in our two year old program. We use learning stations in our three year old class with age appropriate toys and materials to help reinforces skills taught and promote cognitive development.

Four Year Old Program (must be four years old by August 31st)

Our Pre-K was designed to make your child's transition to Kindergarten as smooth as possible. Students are placed in learning groups for literacy and math according to skill level and receive individualized lessons daily. Our teachers introduce new Science and Social Studies themes monthly with fun experiences and activities. We use formal assessments three times a year to ensure your child is ready for "big" school.

All of our preschool programs are offered Monday-Friday with the options of two days (Tuesday/Thursday), three days (Monday/Wednesday/Friday), or five days.

Admission

Enrollment at Coastal Day School's Preschool Program is open to all children ages two to four years old without discrimination in regard to sex, race, color, religion, or beliefs. Registration forms must be completed and submitted with our \$150.00 new student fee or \$75.00 returning student fee prior to their start date.

Attendance

It is very important for your child to attend school every day. If children miss classes, they will miss important information that will hold them back and hinder their progress. We understand that circumstances come up that make it impossible for your child to attend. If this happens, please call our office prior to class to let us know your child will not be present. Doors open at 8:55 a.m. daily. Class starts promptly at 9:15 a.m. and we ask that children arrive on time. Late arrivals are a distraction to the teacher and students.

Arrival/Departure Procedures

Morning Arrival: Doors will be unlocked at 8:55 a.m. daily and you are encouraged to drop your child off between 8:55 a.m. and 9:15 a.m. School starts promptly at 9:15 a.m. If you are going to be later than 9:15 a.m. please call your child's teacher. Late arrivals are a distraction to the teacher and students. Please keep good-byes short and sweet.

Car Line Pick-Up: The pick-up line will begin PROMPTLY at 12:35. If you car pool, please let us know in advance so we can have them ready to go on time. For safety reasons, please do not walk inside to get your child at pick up time. It is very hard to have kids going in different directions. We want to ensure the safety of all kids at all times! If your child is not picked up by 1:00 p.m. a late fee of \$1.00 per minute will be assessed.

School Closings

You will find a school calendar enclosed in this packet. Please refer to it for holiday closings and breaks. If Brunswick County Schools are closed due to inclement weather, we will also be closed. If Brunswick County schools are operating on a one-hour delay, Coastal Day School will open at 10:00 a.m. If Brunswick County Schools are operating on a two-hour delay, Coastal Day School will open at 10:30 a.m. Closings will also be emailed to you and posted on our website. CDS does not make up any weather related closings and tuition is not refunded for those days.

Lunch and Snack

Students must bring a snack and lunch daily. Do not send sodas, caffeinated beverages (coffee), or candy. If you pack cold food, please send an ice pack in their lunch box.

We offer Hot Lunch every Friday for \$3.00. Order forms are sent home monthly.

Holiday Parties

We will be having class parties celebrating Halloween, Christmas, Valentine's Day, and Easter. Parents can sign up to help provide food and treats for the party. We also love celebrating your child's birthday at school. It is the parent's responsibility to provide birthday treats. Parents must speak to your child's teacher to arrange a time to bring them in.

Substitute Teachers

There will be days throughout the year that your child's teacher will be out due to illness or vacations. A qualified substitute teacher will take their place and they will teach materials your child's teacher has planned.

Discipline

We believe it is our job as teachers to teach children what we expect from them, support them when they try, and to praise them when they succeed. We work hard in our classrooms to promote positive behavior and respect. We provide consistent routines where we offer engaging activities to keep children busy and focused. We model appropriate behavior and provide guidance during interactions with other students. When necessary, we redirect children to appropriate choices and praise students for following directions and listening. We are committed to providing a safe and nurturing environment where children can grow and develop their social and emotional skills. Coastal Day School does not use, support, or tolerate corporal punishment, verbal abuse, or humiliation when interacting with or disciplining students.

We do understand that some students face behavior challenges that require further action. If your child displays challenging behavior, we will schedule a parent-teacher conference to determine the best way to handle the issue. We will work together to develop goals for your child and a plan to follow at school and at home.

Biting Policy

Biting is unfortunately an expected behavior for toddlers. Some children and many toddlers communicate through this behavior. However, biting can be harmful to other children and our teachers. Our goal is to help identify what is causing the biting and resolve these issues. If the issue cannot be resolved, parents will be asked to make other arrangements for their child. This policy serves to protect the children that are bitten.

Illness and Health Policies

For the well-being and health considerations of all our students and teachers, parents must keep their child home if any of the following symptoms are present:

- Fever of 100 degrees or higher
- Vomiting
- Diarrhea
- Flu Symptoms
- Chronic Cough
- Strep Throat
- Pink Eye
- Heavy, colored nasal discharge
- Head Lice
- Unexplained Rash

***Children must be kept home for 24 hours after symptoms subside. (i.e. Once a fever is normal, without the help of medication, you must wait a full 24 hours before returning to school) If your child has been diagnosed with the flu, they must be kept home for one full week before returning to school.**

If a student develops any of the above symptoms during school hours, parents will be contacted to pick up the child.

Immunization Policy

Families must submit an up to date immunization record with their child's registration forms. The only exceptions to this are if a family physician's recommends against immunizations on medical grounds or if the family requests an exemption on the basis of religious beliefs. In each case, a written statement must accompany their registration packet.

Accidents

First aid kits are kept in each classroom along with emergency plans and numbers in the unlikely event of an accident taking place. Any accident (even very minor incidents) will be reported to the parents immediately and an incident form will be completed.

Release of Children

For children to be released to anyone other than parents/guardians, the names must be listed on student's registration form. ID will be required the first time a new person picks up a student. Please notify your child's teacher of any drop-off or pick-up changes. Coastal Day School will NOT release any student to a person not listed on their registration form.

Attire

Please keep in mind that your child will be very busy during their day at school. We offer many opportunities throughout the day to participate in activities including paint, water, clay, and other messy materials. Students should wear clothing appropriate for school activities.

Opportunity for Parents

We like to have our parents involved with running our school. This gives an opportunity for parents to help with the education of their child. Please let us know if you are interested in helping in one of the following areas.

1. Fundraising Parent- CDS holds fundraising projects throughout the year that parents plan and carry out to help purchase new equipment for our school.
2. Event Coordinator-CDS holds several events throughout the year to help build a sense of community and our event coordinators plan, set-up, and run these events.
3. Room Mom Parent-Come in to assist teacher with projects, reading to children, helping with parties, etc.

Illness Policy

In order to provide a safe and clean environment for all children at CDS parents **MUST NOT** bring their child if they are exhibiting any symptoms listed below:

- A temperature of 100 degrees or higher
- Red, watery eyes (pink eye)
- Undiagnosed rash
- Excessive runny nose/ sneezing
- Excessive cough
- Sore Throat
- Nausea/ Vomiting
- Diarrhea

All children **MUST** be up to date on their immunizations.
We do not administer medication of any kind.

Your child should not have experienced any of these symptoms for at least 24 hours, without the help of Tylenol or Ibuprofen, before coming to CDS. If your child has been diagnosed with the flu, they must be kept home for one full week before returning to school. For example, if your child's fever breaks at 11:00 am Monday, they cannot return to school on Tuesday because it has not been a full 24 hours. We will contact parents immediately if a child exhibits any of the above symptoms while at CDS.

Please turn in this form signed along with your child's shot record.

Coastal Day School Withdraw Policy

Please sign the top portion and return to Coastal Day School

Here at CDS, we plan our entire year's budget on having every space filled. We know things come up such as moves, job changes, etc. that cause families to need to withdraw their child(ren) from our program. In order to keep our program's needs met, we require families to give us a one month notice as well as payment for that month. This gives us adequate time to fill the space with a new family. If you need to withdraw before the school year begins, we must receive notice in writing, by July 15th. If we do not receive notice by July 15th, you will still be required to pay the August 15th tuition payment. We do not allow students to withdraw after April 1st. We cannot fill a space with a new student so late in the year as it would cause disruptions to our learning. If your child will not be attending after April 1st for any reason, you are still required to pay the last two payments of the school year. By signing below, you are acknowledging you have read and understand this policy.
