QUOTE OF THE MONTH

"While we must be cautious about forcing the pace of change, we must not hesitate to declare our ultimate objectives and to take concrete actions to move toward them. We must be staunch in our conviction that freedom is not the sole prerogative of a lucky few, but the inalienable and universal right of all human beings. So states the United Nations Universal Declaration of Human Rights, which, among other things, guarantees free elections."

“SUPPORTING IRANIAN VOICES”

MIKE POMPEIO

SECRETARY OF STATE

To Iranian President Rouhani: NEVER, EVER THREATEN THE UNITED STATES AGAIN OR YOU WILL SUFFER CONSEQUENCES THE LIKES OF WHICH FEW THROUGHOUT HISTORY HAVE EVER SUFFERED BEFORE. WE ARE NO LONGER A COUNTRY THAT WILL STAND FOR YOUR DEMENTED WORDS OF VIOLENCE & DEATH. BE CAUTIOUS!

President Trump has sure started something, and then yesterday morning I awoke to Hugh Hewitt and he was broadcasting Mike Pompeo's speech that he had presented to a couple hundred Iranian Americans on Sunday at the Reagan Library. Thought I would share it with you. In the middle of the speech a dissenter could be heard. The reaction was heart warming. Our country is going to survive all of this turmoil. This speech shows how great it is to have strong leaders again!
