## PRESIDENT'S NOTE

**HAPPY NEW YEAR, QUILTERS!!** The SCQG, Inc. has been here since the 1980's and without the many members who have come before us, we would not still be going. I, wholeheartedly, want to thank the ladies of the board of 2018-2019 for their diligence in continuing to make our Guild a viable part of the community. I hope that this new board will maintain the standards we have set forth. We will strive to be worthy of all our members' confidence.

"Cracker Christmas" was a huge success with the Guild making more than \$5,000 in total sales. We thank all the ladies who participated in making it such a fabulous event with a lot of hard work entailed.

Let's make a toast to 2019 for all we have accomplished in preparing us for the coming year. Let's make a toast to 2020 for making the Space Coast Quilters, Inc. even more conscientious of the community's needs and to further educate all in who we are and what we do.

Wish Me Luck !!!

*Janice (Jan) K. Brock – President*

## A Laugh from Joan Major

One day my mother was out, and my dad was in charge of me and my brother who is four years older than I am. I was maybe one and a half years old and had just recovered from an accident in which my arm had been broken.

Someone had given me a little 'tea set' as a get-well gift and it was one of my favorite toys.

Daddy was in the living room engrossed in the evening news and my brother was playing nearby in the same room when I brought Daddy a little cup of 'tea', which was just water.

After several cups of tea and lots of praise for such yummy tea, my Mom came home. My Dad made her wait in the living room to watch me bring him a cup of tea, because it was "just the cutest thing!"

My Mom waited, and sure enough, here I come down the hall with a cup of tea for Daddy and she watches him drink it up, then says, "Did it ever occur to you that the only place that baby can reach to get water is the toilet?"
