

## 2017-2018 Bandwagon Committees

The following \*\* committees need help before the start of school:

**\*\*Band Camp Treats:** This committee will help assemble and serve snacks and water to our marching band students during band camp week in August of 2017. A sign up will go out in July with individual dates and times for each day of band camp. Week of band camp only.

**\*\*Uniforms:** This committee works during marching season to ensure each marching student has all the uniform pieces they need. Volunteers help with last minute repairs, zipping zippers and snapping snaps, and pluming the marchers at all home and away events. Marching season only.

**Band Banquet:** This committee organizes the end of year band banquet where we share memories of the year and recognize the accomplishments of the band and each individual student. This includes planning the agenda, program design, decorations, director gifts, background music, photo montage, recognition deck, senior video, set up, and limited clean up. Planning starts in January and banquet is scheduled for May 7, 2018.

**Chaperones:** These volunteers are taken on a first come, first served basis when adults are needed to ride buses and accompany the band on away events. Usually 4-5 fall events per year for marching season and 3-4 spring events for concert season.

**Fall Freshman Band, Fall Concert Band, and Fall Jazz Band Snack Day:** We would like 2 parents from each of the 3 non-marching fall bands to help with serving snacks to the students during one class day (to be determined later). This is a one-time event to welcome the kids to band that would take 1 1/2 hours or less. SHHHHH -- This is a surprise for the kids!

**Glow Show:** These volunteers help with the planning and individual committees needed to make our Glow in the Dark performance happen! Usually in late October, *many* volunteers are needed to help test batteries, repair glow suits, sell tickets, advertise and put up posters, gather raffle items, sell tickets at the event, assist with organizing trunk-or-treat before the show, and help marching students change into glow suits. Fall only.

**Roadies:** This committee moves the instruments, podiums, sound equipment, and helps with set up and tear down for each band performance. Equipment needs to be moved before, during, and after each performance and loaded/unloaded from the equipment truck for the marching festivals and parade. Most of the activity is during marching season but volunteers will provide occasional support for the concert season.
