OFFERED SEPTEMBER through JUNE – FREE SERVICE, HICEEC POSTED

Two commonly asked questions, between September and June, are “Who is open?” and “When?”

To help answer those questions, for residents and visitors, and to assist local businesses/non-profit enterprises, who are open during the quieter times of the year, or have altered hours during the slower periods, HICEEC will post the business hours, on the days of the week the business is open, FOR FREE.

Please send this information to [Karen@hiceec.com](mailto:Karen@hiceec.com) or [Daniel@hiceec.com](mailto:Daniel@hiceec.com):
