July 25, 2016

Greetings!

We hope this note finds you all enjoying the relaxed pace of summer days! We have filled our weeks by eagerly preparing for the next academic year and the exciting new additions to our private lesson program.

We have listened to feedback from our families and witnessed with our own eyes the great success of our enrichment program. We have seen time and again how important it is to work with our students outside of their individual lessons and how meaningful it is for them to come together with other fellow young musicians. It is especially important to us that these resources are available to all of our families throughout the year. Starting in September 2016, your lesson tuition will now include:

- ***Quarterly Group Review Sessions*** - Students are invited to informal classes where ideas presented in lessons will be reviewed
- ***Guided Listening Classes*** - Using information published in our monthly newsletter, students will gather to listen to great works and discuss musical topics with a member of our faculty
- ***Sunday Performance Class*** - Students are invited to attend one of our Sunday Performance Classes where they will have the opportunity to both hear a faculty member speak and perform and also share something they are currently working on

We are committed to providing a well rounded educational experience through the use of these classes in conjunction with weekly lessons. We hope that each student will take advantage of these new opportunities!

Please be on the lookout for more information and schedules for these new offerings to be ready during the month of August. We cannot wait to share these classes with you!

## Payment and Cancellation Policies 2016 - 2017

### **Payments and Fees**

All lessons are booked and must be paid for on a monthly basis. A \$25.00 registration fee per student or \$40.00 per family will be due upon registration. This fee will be added to September tuition on an annual basis. Payments are due at the last lesson of the month for the upcoming month. Any payments received after the 1st of the month will incur a \$5.00 late fee per student. If payment is not received before the second lesson, no further lessons will be given until the payment is rendered. If payment is made by check and it is returned by the bank, the parent of the student or the adult student will be charged the bank fee. Music 101 accepts cash and/or check only. As of September 2016, lesson tuitions will include attendance at semesterly review sessions, guided listening classes, and one Sunday Performance Class.

2016-2017	Lesson Rates
1/2 Hour Private Lesson	\$33.00
3/4 Hour Private Lesson	\$49.50
1 Hour Private Lesson	\$66.00

### **Voluntary Withdrawal from Monthly Lessons**

In order to withdraw from the lesson program, Music 101 requires written notification by the 15th day of the month prior to when lessons will end. For example, a student who would like to withdraw for the month of April, notification must be given by a parent or guardian on or before March 15th. *Failure to notify the studio by the 15th will result in a student being held responsible for the upcoming month's full tuition.*

### **Cancellations**

The Music 101 year is broken up into 4 Sessions:

Session I:	September - December
Session II:	January - March
Session III:	April - June
Summer Session:	July - August

#### **Sessions I-III:**

Because a lesson time is reserved especially for a particular student, the studio requires 24 hours notice of an absence. A student may be credited for one lesson per session IF 24 hours notice of the absence is given. A credit will always appear on the invoice of the month following the absence. Failure to provide advance notification of an absence will result in a forfeit of the lesson and payment of that lesson. A student will be charged for any additionally missed lessons within a given session after the 1 credit has been issued. Any missed lesson minutes due to the late arrival of a student will not be made up. Music 101 does not offer make-up lessons. The credit system will be used in place of the make-up. A lesson which is canceled due to the absence of the teacher will always be credited to the following month's invoice. If a student wishes to terminate lessons within a month that has been paid for, a refund will not be given for the remaining lessons.
