

UNEARTHING YOUR CHILD'S SHINE AT HOME

WHAT THE HAPPIEST FAMILIES KNOW ABOUT MAKING TIME

A FREE EVENT COURTESY OF ERE PTA

ATTENTION PARENTS

Join us for a fast-paced evening of idea sharing by Dr. Claudia Beeny, **House of Shine**, Founder and Executive Director. She will share practical ideas about how busy families can slow life down by building simple routines, rituals, and traditions into our lives. From the morning drive to school to our favorite holiday traditions, we are surrounded by easy opportunities to make memories while reinforcing core family values.

WHAT'S YOUR SHINE?

Bring your kids, too! **Ms. Hill** will treat your kids to a short program in the library helping them discover their shine.

Claudia K. Beeny, PhD
Founder, House of Shine

RSVP at erePTA.org to claim your spot! Limited to the first 150 adults (and your students).

House of Shine is a 501(c)(3) nonprofit whose mission is to help youth discover who they are and why it matters so they will develop into independent and confident decision makers. We do this through curriculum and programs that unearth their shine -- their strengths, hobbies, interests, irritants, needs, and experiences. Increased levels of depression, anxiety and isolation make this work critical.
