

Belfi Brothers Safety Committee

2/6/2019 1:30pm

Attended by:

Stephen J Belfi - Chair

James W. Ingram – Vice Chair, Management Representative

Carlos Merced – Shop Representative

Joe Abbonizio – Safeguard Risk Control Consultant - Guest

Old Business:

Reviewed meeting minutes from last meeting.

Still need to get update on shanty lighting pricing

No water to be used to clean truck floors. Broom sweep with sweeping compound only, water will cause the floors to rot again.

Driveway patch to be followed up in March.

New Issues:

Put toolbox talks on website. Safeguard to send us new toolbox talks as well.

Check with Clemens to see what updates they need with our silica safety plan.

Shop to get tested and fit for respirators

Ensure we have a written plan for respirator use.

Osha Fines going up, serious fine max is currently \$13,260 per offense.

Sign up for Safeguard online

Safety concerns:

Repair steps at lower loading dock.

Next meeting: 3/27/2019
