

CLOSINGS:

In case of **severe weather or any emergency** we do our best to follow what the schools do as far as closing. With severe weather we may not have power or phone service. In that case or any emergency, **we will post any unscheduled closings on our Website, courthousegymnastics.com and on our Facebook page as quickly as possible from another location. Check our website First and often. Scheduled closings** for holidays, etc. are always posted on the **Master Calendar** on our website.
