IMPORTANT. Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the www.NADACForum.com within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the Forum by going to www.NADACForum.com and submitting your request. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be recorded by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

NON-JUMPING CLASSES – VETERAN OR DISABLED HANDLER

Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only. The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course. When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4 inches lower than your Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

REMINDER

As of January, 2014: Dogs must enter the Veterans Division after their 9th birthday. Dogs must enter the Skilled Category, Veterans Division after their 12th birthday.

SKILLED AND PROFICIENT CATEGORIES

Dogs may be entered in either the Skilled or Proficient category. A dog may only be entered in one category for the entire weekend. A dog may not be entered in Skilled one day and Proficient on another day. Dogs may enter the Skilled or Proficient category in the Standard, Veteran Dog, Veteran Handler, or Junior Handler Division.

DIVISIONS

For classes with Jumps (Regular Agility, Jumpers and Chances) the Divisions are Standard, Junior Handlers and Veterans. For Non-Jumping Classes (Hoopers, Touch N Go, Weavers and Tunnelers) the Divisions are Standard and Veteran/Disabled Handlers.

You must have a **clean run** in each Regular course, with no course or time faults, to earn 10 points toward a Regular Agility title. In the Regular Agility class, the run may receive a 5 point qualifier if the total number of faults (time or course faults) are 5 or fewer.

JUMP HEIGHT TABLE:

Dog's Height	11" & under	14" & under	18" & under	20" & under	Over 20" (20+ class)
<u>Standard Proficient:</u>	8"	12"	16"	20"	20+"
<u>Skilled:</u>	4"	8"	12"	16"	16"
<u>Vets/JHs Proficient:</u>	4"	8"	12"	16"	16"
<u>Skilled:</u>	4"	4"	8"	12"	12"

NOTE: An exhibitor entering a dog in the Skilled category must jump at one lower jump height than the height it would jump in the Proficient category, with all rules and course times of the Skilled category applying. No dog entered under veteran dog, veteran handler, or junior handler may jump higher than 16" nor may it be entered at a height higher than the lowest height the dog is eligible to jump. If a handler enters as a veteran or disabled handler, that designation must be applied to all dogs handled by that handler and for all runs that weekend.

AWARDS

Placement ribbons will be awarded to at least fourth place in each jump height for each class, in each category, except Chances which is a pass/fail class. A purple qualifying ribbon shall be given for each qualifying round in each class.

What are the Fido Follies?

Please join us for the 18th anniversary of Fido Follies on Saturday evening, June 25, 2016. Fido Follies is a unique three-dog relay event held at RAT's summer trial. It is non-sanctioned, but does feature homemade ribbons and fabulous prizes for the first four teams. There also are prizes for best costumes and other categories.

The theme for Fido Follies 2016 is, "**Follyvision**" – an homage to classic television shows. Think "Gilligan's Island" meets "Lost in Space." Team names and dog and human costumes should be based on the "**Follyvision**" theme.

The relay legs will be loosely based on the theme. Participant buttons, course layouts, and special rules will be handed out at a Follies table Saturday morning.

What makes the Follies unique are the "special" handler challenges. In the past, these challenges have included: pausing in your run to throw tennis balls at a target, negotiating the weaves yourself, or carrying the Olympic torch. It's never the same and it's always fun, both for competitors and spectators.

The Follies rules are unusual, but standard obstacles, jump heights, and faults are borrowed from NADAC. Teams are made up of three dog-handler pairs. Dogs jump the lowest of the regular jump heights of the dogs on their team.
