Dear on arrival -

Have you finished testing all those lil' ole cows, yet ?? (I can't understand why, when you got out of class at 5:00 in the afternoon, you didn't start testing them until 2:00 in the morning "??") (Did you have to go over to Ed's & get prepared ??)

Say - I was wondering if you realized that the 25th is on a Friday? you had told me before that the dance was going to be on a Saturday."

I am going to ~~leave~~ leave right after work Friday. I checked on the bus & train schedules - & I am going to take the Southern Pacific train that arrives in College Station at 6:12. So - I will see you (ohay!) at 6:12 - Friday - exactly 9 days from now!

As for me staying up there or coming home - I will leave that up to you, cause I don't know anything about your Saturday classes or anything.

Anyway, whatever you say is all right with me!

I'm writing (??) this at the office. (I wanted to see if the 7 bundle

Company's ink would stay blue or not!) It's after working hours, & I'm getting to see the janitors in "action" ! (One came in about 15 minutes ago, shook out a dust rag, emptied the spittoons, & left!) (From the looks of this place, that must be all they ever do! Gosh, it looks almost as bad as my room !!)

Since I'm at the office, I started to type you a letter. Then I decided I wouldn't because you would see what a terrible typist I am, & not let me type your theme!! And I really want to! (I have to practice on something!)

If you have the theme all worked up, & you want to, you could send it to me now, & I could type it right away & bring it up to A+ or not with me when I come! Be sure to tell me everything I need to know - paper size (letter - 8 1/2 x 11 or legal - 11 x 14), what kind of heading to put on it, & everything! I don't know how particular your instructor is - so be sure to tell me! Also, my typewriter has pica (little) type! If that's not all right, let me know, & I'll use one of the stenos' typewriters.

I drew you a diagram of our office!! (I'm sure it will be most interesting!!!) Since I'm always telling you about everyone, now you will know "who" I'm talking about!

Mr. Kallus - my supervisor (&, of course, boss!) (he sure is mean, too!!) (mean as you were to those cows!)

Frank - you met him at the Shamrock! He's my boss, too (He's transferring to another department the 1st of May - thank goodness!)

John & Wally - 2 more "bosses"

Mr. Mahon - the real good-natured, fat man I told you about! He's real cute (he's been working for Humble for 32 yrs. - & the year I've been here - he hasn't done anything but work crossword puzzles!) He & Bill are my bosses, too!

Ardeen - the office typist. My boss, too (she thinks!)

Oh, I forgot - Mr. Kallus' office is glassed in all around (so he can "spy" on us & be sure we are working!) This office is called, by us peasants, the "squirrel" cage!

There is a company rule that you're not supposed to stay in the Bldg. after quitting time, without permission! So, since it's pretty late, I guess I'll have to quit torturing you, and end this masterpiece letter! (ha! ha!)

Bye - I'll be seeing you real soon!

Tuesday night
(4-29-52)

Dearest Mania -

Golly - you'll never know what a thrill it was to get your letter when I got home from work this afternoon!!! I had already decided to resign myself to my "fate" of not getting a letter from you for a couple of weeks!!

Leaving those cards in your car was a pretty good trick - it couldn't have been better, even if I had thought of it myself!!

(Thanks a lot for sending them right away - I was really pretty sick about them, since I have to turn them in tomorrow night!)

Mania - I sure am glad you invited me up to A. & M. for the dance! I wouldn't give anything in the world for last week-end - I had the most wonderful time I've ever had in my life!! And, altho' I'm pretty good at acting "silly," when it comes to being serious, I can never say what I really think - and it was impossible for me to tell you what getting those 2 (TWO) orchids meant to me!!!! So, anyway, thank you!!

Please send me Bob & Olean's address ~~address~~ right away! (Is "Olean" the right way to spell it?) I would like to write them a note & thank them! Gosh - I really thought they were nice - they couldn't have been nicer to me!! I really do like them.

The first thing, when I walked into the office Monday morning, Dorothy Bagner came rushing up - and she asked me if you were coming to the picnic: She was really disappointed when I told her no - cause she & Karl were going, & wanted us to go with them. She made me promise to try to talk you into coming (as if I didn't want to anyway!) And she has offered you her spare bed room to stay in, over the week-end! (She also said to bring a friend down for Dorothy L., too!!)

Dolly, I really do wish you could come - cause it would be a lot of fun! It's the Humble Company's annual picnic - & it's really a "deal" (!?)!

Birdie just called me - & I told her I was writing you, she said for me to give you her love, & to tell you that you all (you & Birdie, I guess) were really going to have a lot of fun! (I decided not to ask for an explanation - it probably wouldn't have helped any!!)

Did you notice that - at least - I ran out of "roses"!!! Anne (my lil' niece) gave me that rose stationery for Christ-

mas! I later found out that she won't
playin' Bingo!! (She also gave me some
ear rings that she informed me she got
for a "bargain" - only 39¢, INCLUDING tax!!!)

I know you must be tired of reading
all this "drizzle" - so I will stop!! (Unwillingly!)
Be sure to dream about me instead of
Betty Grable!

All my love,
Nancy

You sure fouled my typing up
this week!!! All on account of you, I can't
concentrate of what I'm supposed to be
typing! (RESULT - my work is a mess,
but my day dreams are excellent!!)

Thursday
5-1-52

Dearest Maurice -

Guess where I am ?? "Baby-sitting" with Birdie!! She called me at work and said I should come out & stay with her tonight because she was going to be all alone. (Since a free supper went with it, naturally I came!!)

I asked her what I should say to you - & she said to start out with "Hello Baby!" (Would you like that??) She said that's what she always starts her love letters off with! But then, she's been doing it for quite a few years, and she's still an "old maid", so - - -

I was supposed to come over, right from the office - but I just couldn't, without going home first - to see if I had a letter!! And gosh, I sure was happy when I saw that letter from College Station. You write such precious letters that I'm ashamed to send you any of these "things" I write! I'm afraid I'm much better at dreaming about you than writing to you!

I'm sure glad you decided to come see me before the month is over - I was going to suggest you work "overtime" on those books & bugs so you could come on down! I don't believe I could survive without seeing you real soon!! Oh darling, I miss you so much - & I want to see you so bad!

But - as much as I want to see you, I don't want to do anything to hurt your grades! (altho', I confess, I'm not the least bit sorry that you have been thinking about me - too!!)

you don't have to practice your tennis too much! I don't believe you could be mediocre in anything (except "bird lore") (& Lil' Abner --- I hope)!!! Just so long as you can play tennis as well as I can play baseball (ha! ha!), then you can beat me!!

Dorothy (your sister) & I went to the show last night. She wanted to see Bumpy Goart in African Queen, again. It was pretty good - & there's one part you would really like - "insects", of course!!

Birdie is feeding me ripe olives - so blame anything I say on them!! Birdie just told me to tell you not to study about the birds (peacocks!) & the

bees too much - cause you might lose
interest in girls !!! (joke!)

I believe I will stop chewing on
my fingernails (& those ripe olives) & stop
trying to write - & go home. (I hope I've
got my house key!)

Please come see me (REAL soon!)

all my love,
Pammy

Send me the Crockett's address !!!

Sunday

Dearest Maurice -

How was your picnic ?? I hope the "entertainment" was real good (it better have been - since it kept you up there !!!) (I bet the baseball game would have been more "entertaining" - if I had been there!!)

This afternoon I tried to play some tennis (I can't let you get ahead of me!) I had played only about 10 minutes (4 games --- not in my favor) when I got a monstrous blister on the inside of my thumb. I only played about 10 more minutes (1 set - plus about 3 more games) when the monster burst - and so I quit! (That blister "hurt" me !!) (It was also a good excuse !!) But, anyway, I'm still going to beat you when you come down! (Although I don't want to bet on it!!)

Say - when are you going to send me that paper you want typed??
Incidentally - don't forget to give me

implicit instructions with it! (I want you
to make "A double-plus" {A++} on it!)

Are your mother & dad (& the "little ones" -
Charlotte, Theresa, & Dorothy) going to get
to come up to College Station for "Mother's
Day" ?? I hope they get to! (But I want
you to know - I'm jealous of them!!)

Do you like poetry ?? I don't
remember us ever talking about it - so,
I wanted to tell you that I just love it!
The "goosier" the better !! I thought
maybe I had better prepare you - the
shock might be too great!! However,
the poem I enclosed tonight ~~isn't~~ isn't
too bad! (Even if I did ^{tear} cut it out of the
"Houston Press"!))

Since I can't write any myself,
I borrow other people's!!!

Since this fountain pen is hard
on my ~~little~~ big blister, guess I'll
close before I start crying! (ha! ha!)

I love you!

Dearest my auncie -

Before I forget - I want to tell you -
yesterday (at long last) I bought Mrs.
Crockett a lil' present for letting me stay
with them - & - I sent it to you!

I couldn't remember her address when I
was down town, & I wanted Foley to
mail it for me - so, I sent it to you!
(Please don't open it, if you haven't already!)
And if you already have - I wondered
"what the heck" - well, now you know!!!)

(Excuse my finger print up at the
top!)

my auncie - I have decided that I
have to go home Thursday right after
work - I lost that Income Tax return of
Jesus's - (& w-a form) & my mother
hasn't been able to find it!! I've just got
to go home & look for it, because I'm
really worried about it!!! (I don't want her
to lose her money - or have to pay a fine!!)

I also have to go home - & wash
clothes! All my clothes are dirty - &
I refuse to send them to the laundry. (or
the laundry refused to take them, or something!)

Anyway - this is what I think
would be lots of fun (I much better
than what I suggested in my other letter-??-)

You can pick Dorothy up Friday
afternoon & go on to Bay City. And Saturday
you & Dorothy can come down to Port Lavaca.
We can go to the beach to have a picnic
Saturday ~~night~~ afternoon (we also have
a drive-in movie in Port Lavaca!) And you all
can stay all night! (Bubber will be glad to
share his bed with you - he might even
let you make one of his night calls for him!!)

If Barry wants to, he can come, too.
Anyway, you'll be coming to see me some
other time (I hope!) & he can come then!

(Or something!)

Of course I understand that you're
going to do whatever you want to, or
can - according to plans you've already
made! But I sure do wish you would
come down to Port Lavaca - and bring
Dorothy - cause I would like for you to
meet the rest of my family (since
they've heard a lot about you, I want
to meet you, too!!) (I would kinda like to
see you, myself!!)

It seems months since you were here -
& it seems impossible that I could

miss anyone as much as I miss you! I
can't have half as much as I used to -
cause I don't like to go with anyone else
(if when I do, I keep comparing them
with you - & they all rank pretty
low!!)

So please come to see me - I
love you!

Always,
Nancy

Incidentally - send me a card to let
me know if you can't come! - Just to
Pat Lardaca, I'll get it!

Wednesday
(6-12-52)

Dearest Maurice -

No letter today! And what a terrible, let-down feeling! (I really shouldn't write until I get one from you - but then you'd complain!) (Besides, I want to write, anyway!)

I just got back from the drug store where I ate a real good hamburger for supper - & watched the television program (Bollywood Playhouse). ~~It~~ It was kinda late (& getting dark) when I was walking home - & I saw a little frog on the sidewalk & thought it was a Tarantula spider! It scared me about to death - & I was practically paralyzed - until after it jumped away. Then I decided it was a frog because I don't remember ever seeing spiders jump like that!! (I'll sure be glad when you start protecting me from the "booger-bears" - because I am sure scared of them!!)

Hay did you get any red-bugs when we were at San Jacinto monument?? I just got covered with them - on Monday & Tuesday I really gave them a good scratching - and they are about gone now. But my mosquito bites aren't! Monday morning I looked like I had the measles (I hope it didn't look like anything worse!)

my arms & legs had mosquito bites
all over them - & it looked so bad I was
almost ashamed to go to work. They are still
pretty bad - but they are bound to be better
because for the first time this week no one
~~has~~ said anything about them today!!!
(They might possibly just be tired of
kidding me about them!)

We had our picnic lunch today,
& everything sure did taste good!

(Everybody else in the office was real
jealous of us!! But we really had fun
fighting over the food & giggling!!) (And
there were no ants!!) (Or mosquitoes!!)

Well, darling, I guess I better
let you go back to my rivals (all those
other bugs!), much as I hate to!

Be good, & remember, I love you!!

All my love,
Shaney

Friday
(6-13-52)
(very lucky day -
I got paid, AND, I
got a letter from
you!!)

Dearest Marnie -

you silly boy - why on earth did
you go without your shirt in that hot sun??
Don't you know that can make you
real sick?? (Just goes to show how much
you need me to take care of you!!)

I just got home from work - I'm
sure am glad it's Friday!! I would really
hate to have^{to} go back to work tomorrow!!!

It is really a "scorcher" today - I don't
know what the temperature is, but there
is absolutely no breeze, it seems terrible!!
As soon as I finish writing this
"masterpiece" I am going over to the "Ship
Ahoj" to eat supper (It is "air-conditioned"
I after working in that sub-zero weather
in the Tumble Bldg. I ~~can't~~ can hardly
"breathe"!!)

Marnie, I would like to come up
next week-end, but I have already
signed up to go to a ~~real~~ retreat at the
Convent in Salveston, and I really think
I should go. I know it wouldn't "hurt" me -
and about the only religion I get is at
Sunday mass, so I know I need a

"little" more, anyway.

If the Crocketts said I could stay, be sure to thank them for me - & ~~to~~ get my rain-check & send it to me ^(jokes)!! ^{high} They are really nice - & especially so to let me stay with them & if I come up again, I had really rather stay with them than anywhere else!!!

As for the week-end of the 28th, whatever you want to do is alright with me! We could stay in Bay City & go to El Campo some other time. And there's lots of things we could do - for instance teach me how to play Pinochle (I don't ~~want~~ want to have to join Charlotte & be the only "Lukéfahes" who can't play Pinochle!!!). (Besides, I want to go to Bay City, so I can ask your mother if I can borrow her picture of you!!) (I'll get one of my own!!)

Well, since I don't want to have to walk back in the dark (horrors!) tonight, I guess I better hurry & go to eat!

I wish I could see you this week-end!! The longer I'm away from you the more afraid I get - & I wonder if you really meant it about loving me, and everything! (I don't really mean that, I guess, because I do trust you - and love you more than anyone else in the world, but anyway I would still like to see you!) All my love,

Nancy

Sunday
(6-15-52)

Dearest my aurice -

Did you have a nice week-end??
(I hope you didn't do anything too
exciting - I wasn't kidding when I said
I was jealous! That ole' green-eyed monster
bit me right about the same time I met
you!!)

I wrote you a real long letter
yesterday afternoon, but it was so corny
I decided not to mail it. (Of course this
one is pretty corny, too, but I'm going to
mail it, anyway!) (Poor you!)

I wasn't going to tell anyone
that you asked me to marry you
until I talked to you again, because I
wanted to be sure I wasn't dreaming!
But I just couldn't keep it a secret!

I hadn't heard from home
since we were down there, so I called
my mother this afternoon. I started
suffering the pangs of homesickness
several days ago, & I wanted to go
home so bad! Now, after talking to
Maddie, I am even more homesick
than ever! I told her we were going
to get married (some day - ??) & she
told me that she really liked you - &
wants you to come back to Port Laidaca
for another visit, soon!! (And I hope

you want to go!!) (you have to ask her for my
hand!) (ha! ha!)

Darling, it certainly seems like longer
than a week since I've seen you!!! Dolly, it
seems like years! (And I've really been
working hard, too!! And that should make the
time go fast!) Well, I hope I have a letter
from you tomorrow - that's all I live for
now! (until I see you again!)

I guess I had better close, so, bye
for now - & I'll see you in a couple weeks!

All my love,
Nancy

Monday
6/16/52

Dearest Maurice -

At last! At long last - I got a letter from you!! Golly, it just seems like ages since I last got one (Friday - to be exact!) If you think by waiting, you make me appreciate them more - well, it's impossible!! If I got 10 a day I would still read them over & over & over!!

Thanks for the clipping - I know I bragged about Gene a lot, but I am terribly proud of him. However, I didn't go to his Ordination - I got up Saturday morning - started getting ready to go - & then decided I was just too tired to go. It would take me about an hour & a half to get to St. Anne's (via bus) - & just thinking about it ~~of~~ wore me out! So - I stayed home & did a lot of things I needed doing (took up my suit skirt to fit me, also, that white skirt that I wore Sunday when we were in Port Lavaca!) (and various other trivial little things that I had been putting off for months!)

I did go to his first mass Sunday morning - & he is really wonderful. It was High Mass - & he has a beautiful voice. And he is so sincere (he doesn't look like he is but about 19 or 20) - I hope the Blessing he gave me will do

some good!!

I'm going to his reception in a little while, but, fortunately, I have a ride!!

Sounds like, from your letters, that you have been working hard. I would like to say - "Don't work too hard" - but I want you to work real hard, & hurry up & get 'there'!!! (I know - that's silly - because it is a matter of "time" anyway!) (But I still want you to hurry & finish!!)

Well, goodbye, my darling, & I hope I get a letter from you tomorrow (I hope, I hope!!!)

All my love,
Dancy

Wednesday
(6-18-52)

Dearest M. Annie -

Just a note - to let you know I
love you - & think of you constantly! (I'm
trying to make sure you don't forget me!!!)

Thanks ^{for} your sweet letter - I got
it yesterday. (Today when I walked in
the house, Mrs. Greeny announced "no
letter, today!" And golly - was it hard to
hide my disappointment!) (I had planned
on not eating supper tonight - I was going
to "devour" your letter! But now I guess I'll
have to go out & eat!) (Of course, I could
read yesterday's letter over again - but
there's really no point in that, since I
have it memorized already!)

I went to the show yesterday - it
was fair - "with a song in my heart"
had lots of music in it! I guess that's
all I know that's "news"!!

Of course there's lots that's not
news - I miss you! I love you! I'd
sure would like to see you!! (But they say
"absence makes the heart grow fonder" -
so you be sure & remember!!) And just
think - in one week & 3 days I'll see
you in Day City!!

All my love,
M. Annie

Dearest or advice—

Well, I made it back from Galveston -
you should see my knees!! I've got what is
known as "Catholic knees" now. (But they
won't last long - unfortunately!!)

I've also got lots of good "intentions" - &
I intend to stick by them!! One of them concern
US!! Oh darling - I have been so worried these
past 2 weeks - afraid that you might not
really want to marry me - but I talked to the
priest, & he gave me a lot of good advice - &
for the first time in a long time, I felt that
everything was going to be alright!! And
then I came home & got your precious
letter - & that made every thing perfect!!
my darling - I really do love you!! I
asked father if he thought it would be alright
for us to be engaged a year (hoping he
would say "no, you'll have to get married sooner!")
& he said yes - that would be a good thing -
& I could learn how to cook!! (I wonder how
he knew by just looking that I don't know
how to cook!!) (And I had planned on using
you for a quina pig!!)

Dearest Maurice—

(I guess I'll have to use a pencil on this "blotter"!!)

Just think - not but 4 days until Saturday!! (I was beginning to wonder a couple weeks ago if I could possibly make it - and since I've gotten this far - I believe I will!!!)

Today ^{at work} I thought about it - (I don't know why I thought you could get here Friday night. (But I wish you could!)) (you see - it is really NOT your letters - it's just me! X Everything confuses me!!) (Duh!!!)

(you didn't know what you were asking for when you told me to write real often, did you???) (Poor darling!!) (But I'm only going to write one more - tomorrow - until next week, because you wouldn't get it anyway.)
Bye - All my love -
