## JUMPING INTO JUNE

*Greetings from the Alberta DeMolay Association in this month! This June has been a busy one for your Provincial Officers, but its important to capitalize on any opportunity for promotion! Travelling to Grand Chapter, Grand Lodge, and DeMolay Congress, and so much more, ADA is getting out there to bring you every opportunity we can.*

*This newsletter is for all those involved in DeMolay in Alberta, and so we hope to see all of you involved in its creation. If there is a story you are passionate about and want it published, then send it in!*

*June's featured activity is the DeMolay Congress held in Kansas City from June 24th to 29th. Brothers Yee, Latch, and Einarson went down to vote on legislation, learn strategies to enhance our own programs back at home, and network with jurisdictional officers from dozens of different States and Countries. Beyond that, we also held a Regional meeting with Ontario to plan Canada wide projects that will be developed over the coming months. If you'd like to hear about any of this, please contact us, we'd love to chat!*

## STAMPEDE CHAPTER CHARITABLE DONATION

*We'd like to take a moment to recognize the efforts of a young man from Stampede Chapter who participated in a charitable activity Sunday, June 9th .*

*Brother Quentin Young, a junior member of Stampede Chapter got involved with Betty's run for ALS, a cause dedicated to raising awareness for Amyotrophic Lateral Sclerosis and its severity. From seeing an ad he felt compelled to help, and upon bringing it to his Chapter brothers a donation was made for 1000\$, doubling Quentin's goal. Well done to him for his selfless and thoughtful act, we could all learn from his example. We'd also like to acknowledge the contribution of Stampede Chapter, which was unforgettable.*
