FRENCHVILLE, Maine - Dr. Levesque Elementary School fifth-graders completed their “ABC Acadian Book” on Thursday, Jan. 15.

The book, written with each student’s understanding of Acadian history, was the result of a grant awarded last year by the Rose and Samuel Rudman Trust of the Maine Community Foundation to the Long Lake Public Library in St. Agatha.

The fifth-grade students, and sixth-grader Lauren Paradis, began the project in September.
