Dear Office of the Register,

I am the CHREATOR OF THIS EARTH, and I AM in charge of this EARTH. There is no more US Presidency. I did not approve Donald Trump to be President, and he is not presiding over my children. I AM the CHREATOR and leader over this EARTH and USA, beginning January 1, 2017.

I have put each State leader to be in charge of their State. The Pentagon is for the States, and the White House and other houses for me. My New Year's Article 1-1B Message is in distribution through the State of New York. I have asked for my records, keys, and my information from you since December, and I have not yet heard from you. Attached is the 2017 Article 1-1B for your distribution. I look forward to hearing from you.

Sincerely,

Dr. Paulett Angella Hemmings EARTH, PHd.
