Thelma - cell phone (816) 718-5785

The Prez Says,

Hello everyone. Sunday, May 6th we Cruised the Burg, what a great day for a car show. John and Robyn were the hosts for this meeting and along with good cookies they ordered great

From the Miami County newspaper

weather, sunny warm and just a light breeze. Thanks to all who came! Those attending were John and Robyn Forkner, Wayne and Lynne Holz, Mel Wise, Marvin

Sword, Mike and Jennifer McCall. There were four Hudsons there, John Forkner with his 1954 Hornet, Marvin in his 1952 Hornet, Mike and Jennie trailed the 1947 from Salina, and my old faithful 1950 Super-6.

We had very little business to conduct, Jennifer McCall is working on and will do the presentation of our bid for the 2020 Big Country Regional Meet at the business meeting in Scottsbluff, Nebraska. I received an email reminder that I should check and make sure you all are members of the National HET club. This is important because the insurance and tax laws we operate under are connected the National HET. Because our chapter uses the National HET club to provide these things, we need to keep up on our national membership individually. My membership is coming up on renewal... better take care of that.

Sometime we all have OOPS moments. I had one last week. I let my Hudson Jet sit for several weeks, when I tried to start it I ran the battery down. So I let it roll down in front of the shop and hooked up the battery charger. Just after dark I thought I better go down and see if it will start. It was dark and I just got in the car and started it. Now I hadn't taken the charge off the battery and it was dark and I didn't look at where the charger wires were. When the engine started the wires were in the fan, that pulled the battery charger into the radiator and poked a hole in it, OOOPS! Today's project is to fix the radiator. I need something to work on I guess. The moral of this story is not to let things hit the fan or s--t will happen.

See you at DeSoto; Prez. *Jim Durand*

2018 Big Country Regional, Scottsbluff, Nebraska:

Quite a number of Big Country Hudson folks gathered to enjoy the festivities of celebrating Hudson cars, friends and family. Our wonderful hosts, the Nebraska-Iowa Chapter had planned for the best but had to adjust for the weather. Thursday was just beautiful, followed by rain and chilly temperatures for the next few days. Undaunted, the host chapter always had a "Plan B" to work things out and nobody suffered. The Nebraska-Iowa Chapter deserves a huge amount of gratitude for their efforts, other chapters should take note of what they accomplished as a cohesive group.

NE-IA chapter president Brent Nickol (R) getting a much needed break and Mike Cherry past HET president (L) working on mosquito abatement.

Jennifer McCall did a wonderful presentation at the Big Country Business Meeting on behalf of the MO-KAN Chapter for hosting the 2020 Big Country Regional Meet in Abilene, Kansas. We won hands down! Other items that took place in the business meeting, John Forkner was elected for another term as HET Club director and Aaron Cooper was again elected as alternate director.

It would really be nice to see a few more of our MO-KAN chapter members attend these functions, it's always a great time and you couldn't find a nicer group of folks to hang out with. *John Forkner*
