

CACAGNY invites members and friends to a rally to save Gifted and Talented Programs, screened schools, and the SHSAT.

Date: Friday, October 23, 2020

Time: 11AM

Place: City Hall Park, north of water fountain

Come and demand De Blasio and Carranza to disclose plans for Gifted and Talented Programs, screened schools, and the SHSAT!

This pair of “public servants” made a train wreck out of school opening, and it’s not a secret that Carranza wants to exploit Covid-19 misery to advance his merit-bashing “equity” agenda. We have no trust in either their competence or their intentions. We demand to see detailed plans for each of Gifted and Talented Programs, screened schools, and the SHSAT.

Please come even if you have no kids in public schools, because a City without quality public schools will lose its families, and a City forsaken by families will slump into decline, hurting everyone. Bring your friends too!
