

# BALLOT

MARCH 20, 2017

**COMMON CREDENTIAL**  
FOR CERTIFICATES, DEGREES & DIPLOMAS

**PESC XML**  
TECHNICAL SPECIFICATION

The specifications and documentation that support the exchange of Common Credential data for Certificates, Degrees and Diplomas among institutions, employers, districts/regions, states/provinces, service providers, countries and all other stakeholders are presented by the Academic Credentialing and Experiential Learning Task Force to the Members of PESC for vote as an official PESC Approved Standard version 1.0.0.

The XML Technical Specification is presented by the Technical Advisory Board to the Members of PESC for vote as an official PESC Approved Standard version 2.2.0. Please indicate your approval of version 1.0.0 and of version 2.2.0 by checking one of the boxes below for each, and returning your completed ballot to PESC:

<input type="checkbox"/> <b>APPROVE</b>	<b>COMMON CREDENTIAL</b> FOR CERTIFICATES, DEGREES AND DIPLOMAS VERSION 1.0.0	<input type="checkbox"/> <b>NOT APPROVE</b>
<input type="checkbox"/> <b>APPROVE</b>	<b>PESC XML</b> TECHNICAL SPECIFICATION VERSION 2.2.0	<input type="checkbox"/> <b>NOT APPROVE</b>

If not approved, please indicate reason(s) below. Attach more sheets if necessary:
