

THE MIND OF CHRIST MINISTRIES

“Changing Lives and Making a Difference”

BIOGRAPHY OF PASTOR VICTOR L. MILES SR.

Elder Victor L. Miles, Sr., is the Pastor of The Mind of Christ Ministries. A native of the Daytona Beach Florida, Pastor Miles has served diligently in ministry. God used his trials; tribulations and experiences to develop, empowered and equipped to fulfill God's divine-ordained purpose in his life through faith. Pastor Miles believes in the transformative power of the Holy Spirit and with God's anointing he ministers to people to experience the fullness of the Holy Spirit's power through redemption, restoration, revelation and demonstration. His ministry is based on the scriptures "God has saved us, and called us with a holy calling, not according to our works, but according to His own purpose and grace, which was given to us in Christ Jesus" (2Tim 1:9); and if we believe in Christ, we shall perform greater works than He (John 14:12). Pastor Miles is committed to winning souls for Christ and uses preaching to provide God's divine Word to address matters important to salvation and human existence and for practical application. His focus is always on the glory of God!

Pastor Miles is a living testimony to the miraculous transforming and deliverance power of the Lord Jesus Christ! He faced great challenges through out his early life. He has been “Radically” Saved ever since. During his transformation he had committed himself faithfully to the ministry where he received Theological teaching and acquired his ordained license. He has definitely taken ownership as “ A Changed Man.” While his reputation perceives him as “Getting Things Done and Making It Happen.” His continues sharing his miraculous testimony of “How I made through the blood of Jesus Christ.”

The Mind of Christ Ministries is an outreach ministry providing services to the community, churches, organizations, etc. The Lord has placed this called upon Pastor Miles, who is concerned and passionate about our youths, families and communities in distress. His philosophy of ministry includes a commitment to neighborhood and community-based services. And he intends to develop and provide a service within the communities as long as there are unmet needs requiring creative responses. Pastor Miles continues to seek creative measures to co-partner with Churches in assisting with the re-development of their outreach ministries, which respond to the holistic needs of the people that we serve. He is a faithful and loyal husband to his beautiful wife Evangelist Dynel Miles and a loving father to his children, family and friends.

His greatest joy is to see people come to know Christ. While his deep desire is to see God's people walk worthy of his or her calling (Ephesians 4:1-3), he is first and foremost seeking to walk worthy in order to be an example for others to follow (1 Corinthians 11:1). His ultimate goal, as in all of scripture is to bring glory to the one true and living God.
