Advertising Sponsorship Form

The purpose of Sand Rulz is to have a central indoor / outdoor location within the Piedmont community to promote the game of Beach Volleyball. Over the past 5 years beach volleyball has gained a ton of momentum. It is now a Division 1 Championship sport in many Colleges and Universitys around the country. Also Spring Beach Volleyball clubs are popping up all around us at High Schools. Our goal with Sand Rulz is to continue this trend by having a dedicated training facility for the younger generation of beach volleyball enthusiasts. With that said we here at Sand Rulz are in need of expansion. We have already grown out of our 10,000 sq. ft. facility which features two full size indoor sand volleyball courts; the only of its kind in North Carolina. We are now getting ready to break ground on a new outdoor sand court in our back yard. We are selling promotional signs that will hang around our outdoor court. If you are already a sponser we Thank You and ask to consider helping us out once again. Last year we had over 200 teams compete at our facility from all over NC. With our new outdoor courts we want to target Randolph County Schools and help them develop a Spring Beach Volleyball Club and provide an awesome location to hold events. We look forward to advertise for your company while we help grow the game that we love. Thank you so much for your consideration in sponsoring Sand Rulz, LLC. The promotion costs are listed below.
