

Garden State MOSAIC

2016-2017 Student Promise

As a MOSAIC participant I,

understand that I play an important role in the success of MOSAIC.

- I promise to make every effort to arrive on time and to actively engage with the MOSAIC program and other MOSAIC participants.
- I promise to maintain an open and respectful attitude towards other students and the beliefs and practices of their faiths. I will listen and learn from my peers and I will also share wisdom about my faith with others.
- Though part of my role is to teach others about my faith, I promise that neither I, nor my parents, will proselytize our religion to others.
- It is my responsibility to keep my adult faith group leader apprised of any issues that I may face, and inform them if I am unable to attend any of the sessions.
- I understand that in order to receive a completion certificate for the MOSAIC program, I must attend at least 60% of the sessions and participate in at least one of the service projects. (*)
- By participating in MOSAIC I hope to spread peace, understanding and tolerance.
