The Onyx Figure Skating Challenge (Onyx Challenge) will be held at the Onyx-Rochester Ice Arena, 52999 Dequindre Road, Rochester, Michigan, 48307. The Ice Arena phone number is 248-601-6699. The event will take place on Friday August 16, and Saturday August 17, 2019.

The 2019 Onyx Challenge will be conducted in accordance with the rules and regulations of U.S. Figure Skating, as set forth in the current rulebook, as well as any pertinent updates which have been posted on the U.S. Figure Skating website.

The Onyx Challenge competition is open to all eligible, restricted, reinstated or readmitted persons as defined by the Eligibility Rules, and is a currently registered member of a U.S. Figure Skating member club, a collegiate club or an individual member in accordance with the current rulebook. Please refer to the current rulebook for non-U.S. citizens.

ELIGIBILITY/TEST LEVEL:

Test Level: Competition level is the highest test passed as of the entry deadline in the discipline the skater is entering. Entrants may skate one level above that for which they qualify, but they may not skate down in any event.

Age Restrictions/Requirements: Girls entering juvenile free skate events (Well Balanced Program) must be 12 years of age or younger as of September 1, 2019; boys must be 13 years of age or younger. Girls entering open juvenile free skate events (Well Balanced Program) must be at least 13 years of age or older as of September 1, 2019; boys must be at least 14 years of age or older.

Skaters entering beginner through pre-juvenile events will be divided as closely as possible by age should the number of entries warrant more than one group.

ENTRIES: Skaters may enter one or more Onyx Challenge event(s) via the website www.entryeeze.com. Online entries and payment must be made by the "closing date" of Friday, August 2, 2019, 12 midnight ET, to avoid a late fee. Late entries will only be accepted if space allows in the competitor's event(s), and if the entrant includes a \$25 late fee.

Any entry missing the skater's U.S. Figure Skating number will be charged a \$10 administrative fee. **Any change to skating level or event after the deadline, unless due to the sponsor's mistake, shall be charged a \$20 administrative fee, with no exceptions.** Space in some of the events may fill up quickly, so skaters are encouraged to enter as early as possible.

MUSIC: Competitors must provide music for all events, as appropriate. Competition music for all events that require music must be submitted ELECTRONICALLY via the online registration system by the music deadline of August 2, 2019 at 11:59 pm. Any music uploaded after the August 2nd deadline will be assessed a \$20 late fee. After you have paid for your events, the system will prompt you to upload your music for each event that requires music. If your music is not available at that time, you can logout of your account and return later to upload your music by going to the "competition" tab and then selecting "my music". Your music must meet the following criteria. If you have questions about what format you have, please contact your coach and get a new version of your music that meets the criteria listed below.

Music Criteria:

- 1) File Format: MP3 (the online system will automatically check this)
- 2) Bit Rate: 192 kbps or higher (this will be checked by the music chairperson and they may request you upload a corrected file)
- 3) Sample Rate: 44,100 kHz (this will be checked by the music chairperson and they may request you upload a corrected file)

4) Leaders and trailers (the silence or "dead space" before and after the actual start and end of the program music) may not exceed two (2) seconds. We prefer that there be NO leaders or trailers at all. Excessive leaders and trailers may disrupt the playing of the music during competition.

Competitors must also bring a copy of their competition music on CD as a backup in case of technical difficulties. Only CDs (standard CD-R format only) will be accepted. CD-RWs will NOT be accepted due to compatibility issues. CDs must be clearly marked with the competitor's name, event, and running time. CDs must only have one piece of music per CD. Please keep additional copies of your music readily available for both practice ice and rink side during competition events. Every reasonable care will be taken, but the hosting club cannot be responsible for music left at the end of the competition.

LIABILITY: U.S. Figure Skating, Onyx-Suburban Skating Academy (OSA) and Onyx Rochester Ice Arena, accept no responsibility for injury or damage sustained by any participant in this competition. This is in accordance with Rule 1600 of the official U.S. Figure Skating Rulebook.
