

Southern Idaho Section – ASCE Snake River Branch Meeting in Eastern Idaho

DATE: Thursday, February 23, 2017

TIME: View Bengal S.T.E.M. Day from 9:00 am to 12:00 pm in the Pond Student Union Building (SUB). The Civil popsicle bridge competition will be in the Little Wood River Room #227-B, main level.

ISU Senior Project Presentations begin promptly at 12:00 pm until 1:00 pm

LOCATION: 3rd floor of the Student Union Building

ISU Campus, 921 S 8th Ave, Pocatello, ID 83209 (free parking along the streets or a parking pass for the general/reserved lots may be picked up in the Little Wood River Room (#227-B) prior to presentation. Immediately place pass in the car, to avoid a ticket)

COST: Free

LUNCH: A \$10 lunch voucher will be provided by the ISU CEE Department. Purchases can be made from the Food Court on the 2nd floor. Lunch options include: Einstein bagels, oriental food, burgers and drinks. Lunch can be purchased and then brought to the presentation room. Attendees are also welcome to bring their own lunch.

SUBJECTS: In celebration of Engineers Week, February 19-25, the Idaho State University will be presenting Bengal Science, Technology, Engineering & Math (S.T.E.M.) Day. Presentations/competitions can be viewed in the Pond Student Union Building (SUB) from 9:00 am until 12:00 pm. Then beginning promptly at 12:00 pm, the ISU Engineering Students will be presenting their Senior Design Projects in the Portneuf Room, #302 (third floor). The following will be presented:

1. **CE Concrete Canoe** (CECC): Design and construction of a lightweight concrete canoe for the ASCE 2017 Pacific Northwest Competitions. Presented by Jerry Burrows, Sukriti Panthi, Karma Gurung, Fatimah Ghazwi
2. **Pedestrian Pathway Underpass & Connection** (PPUC): Design of an accessible connection from the Parrish Pathway located on Pocatello's east bench to the Portneuf Wellness Complex. Presented by Jeffrey Sorenson, Fahad Alwasel, Yousif Abuabdullah, Dale Price
3. **Deer Creek Steel Bridge** (DCSB): Design of a pedestrian bridge spanning Deer Creek and connecting the two cities of Shrewsbury and Maplewood, Missouri. Presented by Isaac Wood, Chris Clauson, Faisal Alajmi, Ross Goodman, Ibrahim Alzakeri
4. **ISU "I" Replacement Team 1** (ISU1): Design of a replacement "I" on the Idaho State University's Red Hill. Presented by Abdulrahman Suhluli, Ali Almakrami, Bader Alnaqeeb, Khaled Aljabal
5. **Beverly to Edson Greenway Bridge** (BEGB): Design of a pedestrian bridge over the Portneuf River connecting the Edson Fichter and Beverly Greenway trails. Presented by Preston Bowden, Sultan Alqahtani, Mansour Alshammari
